Legislative Update

The 2010 legislative year is officially under way, and the first enactments of the year have already been posted. Rhode Island claimed the number one spot when it enacted the Uniform Foreign Money Claims Act in November. Not far behind was the U.S. Virgin Islands which recently enacted the Uniform Anatomical Gift Act. This is just the beginning, of course. We've already got more than 60 introductions, with many more to come. Even though six states have no session in 2010, and many more have short sessions, all signs point to 2010 as another great year.

New Member

In California, our newest member is Assemblymember Jared Huffman. Assemblymember Huffman, from Marin, California, is Chair of the Assembly Committee on Water, Parks and Wildlife, and has been a member of the California Assembly since 2006.

2009 Acts

Five new uniform acts were approved by the ULC at the 2009 annual meeting in Santa Fe, New Mexico. Four of the acts are now available with final prefatory note and comments: Uniform Collaborative Law Act; Uniform Collateral Consequences of Conviction Act; Uniform Law Enforcement Access to Entity Information Act (which the ULC is not pushing pending developments regarding a related congressional bill); and Uniform Real Property Transfer on Death Act. These acts are all posted at the ULC's website at www.nccusl.org, and some supporting material for these acts has been posted online, as well. If you'd like further information on any of the 2009 acts, please call the Chicago office.
