13 (Section 9-109).

2 (b) **[Liberal construction.]** Subject to the provisions of this [act] dealing with course of
3 performance, course of dealing, and usage of trade (Section 9-114), the meaning of a term not
4 defined by this [act] is to be derived from the context involved, with due consideration for
5 consistency in meaning with uniform principles of commercial and contract law operative in the
6 United States.

7 **SECTION 9-107. NOTICE; KNOWLEDGE.**

8 (a) **[Notice defined.]** Subject to subsection (f), a person has “notice” of a fact if the
9 person:

10 (1) has actual knowledge of it;

11 (2) has received a notice or notification of it; or

12 (3) from all the facts and circumstances known to the person at the time in
13 question, has reason to know that it exists.

14 (b) **[Knowledge defined.]** “Knowledge” means actual knowledge. “Knows” has a
15 corresponding meaning.

16 (c) **[Discover defined.]** “Discover”, “learn”, or words of similar import refer to knowledge
17 rather than to reason to know.

18 (d) **[Notifying or giving notice or notification.]** A person “notifies” or “gives” a notice or
19 notification to another person by taking such steps as may be reasonably required to inform the
20 other person in ordinary course, whether or not the other person actually comes to know of it.

21 (e) **[Receipt generally.]** Subject to subsection (f), a person “receives” a notice or
22 notification when:

23 (1) it comes to that person's attention; or

1 (2) it is duly delivered in a form reasonable under the circumstances at the place of
2 business through which the contract was made or at another location held out by that person as the
3 place for receipt of such communications.

4 (f) **[Receipt by organization.]** Notice, knowledge, or a notice or notification received by
5 an organization is effective for a particular transaction from the time it is brought to the attention
6 of the individual conducting that transaction and, in any event, from the time it would have been
7 brought to the individual's attention if the organization had exercised due diligence. An
8 organization exercises due diligence if it maintains reasonable routines for communicating
9 significant information to the person conducting the transaction and there is reasonable
10 compliance with the routines. Due diligence does not require an individual acting for the
11 organization to communicate information unless the communication is part of the individual's
12 regular duties or the individual has reason to know of the transaction and that the transaction
13 would be materially affected by the information.

14 **SECTION 9-108. VALUE.** Except as otherwise provided under applicable laws dealing
15 with negotiable instruments, bank deposits, letters of credit and bulk transfers and sales, a person
16 gives value for rights if the person acquires them:

17 (a) in return for a binding commitment to extend credit or for the extension of immediately
18 available credit, whether or not drawn upon and whether or not a charge-back is provided for in
19 the event of difficulties in collection;

20 (b) as security for, or in total or partial satisfaction of, a preexisting claim;

21 (c) by accepting delivery under a preexisting contract for purchase; or

22 (d) in return for any consideration sufficient to support a simple contract.

23 **SECTION 9-109. LEASE DISTINGUISHED FROM SECURITY INTEREST.**

24 (a) **[Basic test.]** Whether a transaction in the form of a lease creates a lease or security

1 interest is determined by the facts of each case.

2 (b) [**Transactions that create security interests.**] A transaction in the form of a lease
3 creates a security interest if the consideration that the lessee is to pay the lessor for the right to
4 possession and use of the goods is an obligation for the term of the lease and is not subject to
5 termination by the lessee, and:

6 (1) the original term of the lease is equal to or greater than the remaining economic
7 life of the goods;

8 (2) the lessee is bound to renew the lease for the remaining economic life of the
9 goods or is bound to become the owner of the goods;

10 (3) the lessee has an option to renew the lease for the remaining economic life of
11 the goods for no additional consideration or for nominal additional consideration upon
12 compliance with the lease agreement; or

13 (4) the lessee has an option to become the owner of the goods for no additional
14 consideration or for nominal additional consideration upon compliance with the lease agreement.

15 (c) [**Factors that do not create security interests.**] A transaction in the form of a lease
16 does not create a security interest merely because:

17 (1) the present value of the consideration the lessee is obligated to pay the lessor
18 for the right to possession and use of the goods is substantially equal to or is greater than the fair
19 market value of the goods at the time the lease is entered into;

20 (2) the lessee assumes risk of loss of the goods;

21 (3) the lessee agrees to pay, with respect to the goods, taxes, insurance, filing,
22 recording, or registration fees, or service or maintenance costs;

23 (4) the lessee has an option to renew the lease or to become the owner of the
24 goods;

1 (5) the lessee has an option to renew the lease for a fixed rent that is equal to or
2 greater than the reasonably predictable fair market rent for the use of the goods for the term of the
3 renewal at the time the option is to be performed; or

4 (6) the lessee has an option to become the owner of the goods for a fixed price that
5 is equal to or greater than the reasonably predictable fair market value of the goods at the time the
6 option is to be performed.

7 **SECTION 9-110. GENERAL SCOPE.**

8 (a) **[General scope of [act].]** Except as otherwise provided in the section on excluded
9 transactions (Section 9-111), this [act] applies to the following, if within the jurisdiction of this
10 [Tribe] [Nation]:

11 (1) any transaction, regardless of its form, that creates a security interest in
12 personal property or fixtures by contract;

13 (2) an agricultural lien;

14 ~~(2)~~(3) a sale of accounts, chattel paper, payment intangibles, or promissory notes;

15 ~~(3)~~(4) a consignment; and

16 ~~(4)~~(5) any other commercial activities, including sales of goods, leases of goods,
17 other transactions in goods, negotiable instruments, bank deposits and collections, funds transfers,
18 letters of credit, documents of title, and investment securities, to the extent those commercial
19 activities are implicated in clauses (1), (2) or (3) of this subsection (a).

20 (b) **[Consistency in application.]** Subject to the provisions of this [act] dealing with
21 course of performance, course of dealing, and usage of trade (Section 9-114), the application of
22 this [act] to a type of transaction enumerated in subsection (a)(4) is to be derived from the context
23 involved, with due consideration for consistency in application with uniform principles of
24 commercial and contract law operative in the United States.

1 (c) **[Security interest in secured obligation.]** The application of this [act] to a security
2 interest in a secured obligation is not affected by the fact that the obligation is itself secured by a
3 transaction or interest to which this [act] does not apply.

4 **SECTION 9-111. EXCLUDED TRANSACTIONS.** This [act] does not apply to:

5 (a) a landlord's lien, other than an agricultural lien;

6 (b) a lien, other than an agricultural lien, given by statute or other rule of law for services
7 or materials, but the Section 9-318(k) applies with respect to priority of the lien;

8 (c) a tribal lien;

9 (d) an assignment of a claim for wages, salary, or other compensation of an employee;

10 (e) a sale of accounts, chattel paper, payment intangibles, or promissory notes as part of a
11 sale of the business out of which they arose;

12 (f) an assignment of accounts, chattel paper, payment intangibles, or promissory notes
13 which is for the purpose of collection only;

14 (g) an assignment of a right to payment under a contract to an assignee that is also
15 obligated to perform under the contract;

16 (h) an assignment of a single account, payment intangible, or promissory note to an
17 assignee in full or partial satisfaction of a preexisting indebtedness;

18 (i) a transfer of an interest in or an assignment of a claim under a policy of insurance,
19 other than an assignment by or to a health-care provider of a health-care-insurance receivable and
20 any subsequent assignment of the right to payment, but Sections 9-315 and 9-317 apply with
21 respect to proceeds and priorities in proceeds;

22 (j) an assignment of a right represented by a judgment, other than a judgment taken on a
23 right to payment that was collateral;

24 (k) a right of recoupment or set-off, but the section on agreements not to assert defenses

1 against assignees (Section 9-403) applies with respect to defenses or claims of an account debtor;

2 (l) the creation or transfer of an interest in or lien on real property, including a lease or
3 rents thereunder, except to the extent that provision is made for:

4 (1) a fixture filing; and

5 (2) security agreements covering personal and real property in Section 9-604;

6 (m) an assignment of a claim arising in tort, other than a commercial tort claim, except as
7 provided with respect to proceeds and priorities in proceeds; or

8 (n) an assignment of a deposit account, except as provided with respect to proceeds and
9 priorities in proceeds.

10 **SECTION 9-112. ADMINISTRATION OF [ACT]; AUTHORITY TO**

11 **PROMULGATE REGULATIONS.** The [insert name of tribal department or division], or its
12 designated successor, is charged with the administration of this [act]. In accordance with
13 applicable administrative and interpretive rules and after review and approval of [insert
14 specification of appropriate tribal legislative body], the [insert name of tribal department or
15 division], or its designated successor may promulgate regulations necessary for the effective
16 implementation and enforcement of this [act].

17 **SECTION 9-113. OBLIGATION OF GOOD FAITH.** Every contract or duty within
18 this [act] imposes, with respect to its performance or enforcement, an obligation that each party be
19 honest and act in a manner that is consistent with reasonable commercial standards of fair dealing.

20 **SECTION 9-114. COURSE OF PERFORMANCE, COURSE OF DEALING, AND**
21 **USAGE OF TRADE.**

22 (a) **[Course of performance defined.]** A “course of performance” is a sequence of
23 conduct between the parties to a particular transaction that exists if:

24 (1) the agreement of the parties with respect to the transaction involves repeated

1 occasions for performance by a party; and

2 (2) the other party, with knowledge of the nature of the performance and
3 opportunity for objection to it, accepts the performance or acquiesces in it without objection.

4 (b) **[Course of dealing defined.]** A “course of dealing” is a sequence of conduct
5 concerning previous transactions between the parties to a particular transaction that is fairly to be
6 regarded as establishing a common basis of understanding for interpreting their expressions and
7 other conduct.

8 (c) **[Usage of trade defined.]** A “usage of trade” is any practice or method of dealing [,
9 including a local custom or tradition of this [Tribe] [Nation],] having such regularity of
10 observance in a place, vocation, or trade as to justify an expectation that it will be observed with
11 respect to the transaction in question. The existence and scope of such a usage must be proved as
12 facts. If it is established that such a usage is embodied in a trade code or similar record, the
13 interpretation of the record is a question of law.

14 (d) **[Effect.]** A course of performance or course of dealing between the parties or usage of
15 trade in the vocation or trade in which they are engaged or of which they are or should be aware is
16 relevant in ascertaining the meaning of the parties’ agreement, may give particular meaning to
17 specific terms of the agreement, and may supplement or qualify the terms of the agreement. A
18 usage of trade applicable in the place in which part of the performance under the agreement is to
19 occur may be so utilized as to that part of the performance.

20 (e) **[Practical construction; hierarchy.]** Except as otherwise provided in subsection (f),
21 the express terms of an agreement and any applicable course of performance, course of dealing, or
22 usage of trade must be construed whenever reasonable as consistent with each other. If such a
23 construction is unreasonable:

1 (1) express terms prevail over course of performance, course of dealing, and usage
2 of trade;

3 (2) course of performance prevails over course of dealing and usage of trade; and

4 (3) course of dealing prevails over usage of trade.

5 (f) Subject to other applicable law, a course of performance is relevant to show a waiver or
6 modification of any term inconsistent with the course of performance.

7 (g) Evidence of a relevant usage of trade offered by one party is not admissible unless that
8 party has given the other party notice that the court finds sufficient to prevent unfair surprise to
9 the other party.

10 **SECTION 9-115. PURCHASE-MONEY SECURITY INTEREST.**

11 (a) **[Definitions.]** In this section:

12 (1) "Purchase-money collateral" means goods or software that secures a purchase-
13 money obligation incurred with respect to that collateral.

14 (2) "Purchase-money obligation" means an obligation of an obligor incurred as all
15 or part of the price of the collateral or for value given to enable the debtor to acquire rights in or
16 the use of the collateral if the value is in fact so used.

17 (b) **[Purchase-money security interest in goods.]** A security interest in goods is a
18 purchase-money security interest:

19 (1) to the extent that the goods are purchase-money collateral with respect to that
20 security interest;

21 (2) if the security interest is in inventory that is or was purchase-money collateral,
22 also to the extent that the security interest secures a purchase-money obligation incurred with
23 respect to other inventory in which the secured party holds or held a purchase-money security
24 interest; and

1 (3) also to the extent that the security interest secures a purchase-money obligation
2 incurred with respect to software in which the secured party holds or held a purchase-money
3 security interest.

4 (c) [**Purchase-money security interest in software.**] A security interest in software is a
5 purchase-money security interest to the extent that the security interest also secures a purchase-
6 money obligation incurred with respect to goods in which the secured party holds or held a
7 purchase-money security interest if:

8 (1) the debtor acquired its interest in the software in an integrated transaction in
9 which it acquired an interest in the goods; and

10 (2) the debtor acquired its interest in the software for the principal purpose of using
11 the software in the goods.

12 (d) [**Consignor's inventory purchase-money security interest.**] The security interest of a
13 consignee in goods that are the subject of a consignment is a purchase-money security interest in
14 inventory.

15 (e) [**Application of payment in non-consumer transaction.**] In a transaction other than a
16 consumer transaction, if the extent to which a security interest is a purchase-money security
17 interest depends on the application of a payment to a particular obligation, the payment must be
18 applied:

19 (1) in accordance with any reasonable method of application to which the parties
20 agree;

21 (2) if paragraph (1) does not apply, in accordance with the intention of the obligor
22 manifested at or before the time of payment; or

23 (3) if neither paragraph (1) nor paragraph (2) applies, in the following order:

24 (A) to obligations that are not secured; and

1 (B) if more than one obligation is secured, to obligations secured by
2 purchase-money security interests in the order in which those obligations were incurred.

3 (f) **[No loss of purchase-money security interest in non-consumer transaction.]** In a
4 transaction other than a consumer transaction, a purchase-money security interest does not lose its
5 status as such, even if:

6 (1) the purchase-money collateral also secures an obligation that is not a purchase-
7 money obligation;

8 (2) collateral that is not purchase-money collateral also secures the purchase-
9 money obligation; or

10 (3) the purchase-money obligation has been renewed, refinanced, consolidated, or
11 restructured.

12 (g) **[Burden of proof in non-consumer transaction.]** In a transaction other than a
13 consumer-goods transaction, a secured party claiming a purchase-money security interest has the
14 burden of establishing the extent to which the security interest is a purchase-money security
15 interest.

16 (h) [Non-consumer-goods transactions; no inference.] The limitation of the rules in
17 subsections (e), (f), and (g) to transactions other than consumer-goods transactions is intended to
18 leave to the court the determination of the proper rules in consumer-goods transactions. The court
19 may not infer from that limitation the nature of the proper rule in consumer-goods transactions
20 and may continue to apply established approaches.

21 **SECTION 9-116. SUFFICIENCY OF DESCRIPTION.**

22 (a) **[Sufficiency of description.]** Except as otherwise provided in subsections (b) and (c),
23 a description of personal or real property is sufficient, whether or not it is specific, if it reasonably
24 identifies what is described.

1 **(b) [Examples of reasonable identification.]** Except as otherwise provided in subsection
2 **(d), a description of collateral reasonably identifies the collateral if it identifies the collateral by:**
3 **(1) a type of collateral defined in [the Model Tribal Secured Transactions Act]; or**
4 **(2) except as otherwise provided in subsection (c), any other method, if the identity**
5 **of the collateral is objectively determinable.**

6 ~~(b)~~**(c) [Broad, generic descriptions insufficient.]** In a security agreement, a description
7 of collateral as “all the debtor’s assets” or “all the debtor’s personal property” or using words of
8 similar import does not reasonably identify the collateral.

9 ~~(c)~~**(d) [Description by type insufficient.]** A description only by type of collateral defined
10 in this [act] is an insufficient description of:

- 11 (1) a commercial tort claim; or
12 (2) in a consumer transaction, any collateral.

13 **SECTION 9-117. PARTIES' POWER TO CHOOSE APPLICABLE LAW.**

14 **(a) [Choice of law generally.]** Except as provided in subsection (b) and unless preempted
15 by federal law, if a transaction bears a reasonable relation to this [Tribe] [Nation] and also to
16 another Indian tribe or nation, State, or country, the parties may agree that the law either of this
17 [Tribe] [Nation] or of such other tribe or nation, State, or country governs their rights and duties.
18 In the absence of an effective agreement, this [act] applies to all transactions bearing an
19 appropriate relation to this [Tribe] [Nation]. The fact that the law of another Indian tribe or
20 nation, State, or country is applicable as provided in this section does not affect the jurisdiction or
21 venue of this [Tribe] [Nation], nor does it waive the sovereign immunity of this [Tribe] [Nation]
22 or of any agency or instrumentality thereof.

23 **(b) [When agreement ineffective.]** An agreement otherwise effective under subsection
24 (a) is ineffective in any of the following cases:

- 1 (1) in a consumer transaction;
- 2 (2) to the extent the agreement purports to vary the provisions of Subpart 1 of Part
- 3 3 of this [act], concerning the law governing perfection and priority; or
- 4 (3) to the extent that application of the law of the Indian tribe or nation, State, or
- 5 country designated in the agreement would be contrary to a fundamental policy of this [Tribe]
- 6 [Nation].

7 **PART 2**

8 **EFFECTIVENESS, ATTACHMENT AND RIGHTS OF PARTIES**

9 **SECTION 9-201. GENERAL EFFECTIVENESS OF SECURITY AGREEMENT.**

10 (a) [**General effectiveness.**] Except as otherwise provided in this [act] or other applicable

11 law, a security agreement is effective according to its terms between the parties, against

12 purchasers of the collateral, and against creditors.

13 (b) [**Applicable consumer laws and other law.**] A transaction subject to this [act] is

14 subject to any applicable rule of law which establishes a different rule for consumers and

15 (1) any other applicable tribal, federal or State statute or regulation that regulates

16 the rates, charges, agreements, and practices for loans, credit sales, or other extensions of credit;

17 and

18 (2) any consumer-protection statute or regulation.

19 (c) [**Other applicable law controls.**] In case of conflict between this [act] and a rule of

20 law, statute, or regulation described in subsection (b), the rule of law, statute, or regulation

21 prevails.

22 **SECTION 9-202. ATTACHMENT AND ENFORCEABILITY OF SECURITY**

23 **INTEREST; PROCEEDS; FORMAL REQUISITES.**

24 (a) [**Attachment.**] A security interest attaches to collateral when it becomes enforceable

1 against the debtor with respect to the collateral, unless an agreement expressly postpones the time
2 of attachment.

3 (b) **[Enforceability.]** Except as otherwise provided in subsections (c) through (g), a
4 security interest is enforceable against the debtor and third parties with respect to the collateral
5 only if:

6 (1) value has been given;

7 (2) the debtor has rights in the collateral or the power to transfer rights in the
8 collateral to a secured party; and

9 (3) one of the following conditions is met:

10 (A) the debtor has signed a security agreement that provides a description
11 of the collateral and, if the security interest covers timber to be cut, a description of the land
12 concerned;

13 (B) the collateral is in the possession of the secured party pursuant to the
14 debtor's security agreement and this [act]; or

15 (C) the collateral is a security or an investment account and the secured
16 party has control pursuant to the debtor's security agreement.

17 (c) **[Other applicable law.]** Subsection (b) is subject to a collecting bank's interest in
18 items under applicable law or agreement, any recognized security interest of a letter-of-credit
19 issuer or nominated person under applicable law or agreement, a security interest arising under
20 recognized sales and leases law, and a security interest in a security or in an investment account
21 arising due to the purchase or delivery of the financial asset.

22 (d) **[Proceeds and supporting obligations.]** The attachment of a security interest in
23 collateral gives the secured party the rights to proceeds provided by this [act] and is also

1 attachment of a security interest in a supporting obligation for the collateral.

2 (e) [**Lien securing right to payment.**] The attachment of a security interest in a right to
3 payment or performance secured by a security interest, mortgage or other lien on personal or real
4 property is also attachment of a security interest in the security interest, mortgage, or other lien.

5 (f) [**Certain items credited to investment account.**] The attachment of a security interest
6 in an investment account is also attachment of a security interest in any securities or commodity
7 contracts credited to the investment account.

8 (g) [**Whether other persons bound.**] Law other than this [act] determines when and if
9 another person becomes bound by a security agreement entered into by a debtor.

10 (h) [**Cultural property.**] A security interest does not attach to goods constituting cultural
11 property without the written consent of the [Tribe] [Nation].

12 **SECTION 9-203. AFTER-ACQUIRED COLLATERAL; FUTURE ADVANCES.**

13 (a) [**After-acquired collateral.**] Except as otherwise provided in subsection (b), a security
14 agreement may create or provide for a security interest in after-acquired collateral.

15 (b) [**After-acquired property clause not effective.**] A security interest does not attach
16 under a term constituting an after-acquired property clause to:

17 (1) consumer goods, other than an accession when given as additional security,
18 unless the debtor acquires rights in them within 10 days after the secured party gives value; or

19 (2) a commercial tort claim.

20 (c) [**Future advances.**] A security agreement may provide that collateral secures or that
21 accounts, chattel paper, or payment intangibles are sold in connection with future advances or
22 other value, whether or not the advances or value are given pursuant to commitment.

1 **SECTION 9-204. RIGHTS AND DUTIES WHEN COLLATERAL IS IN SECURED**
2 **PARTY'S POSSESSION OR CONTROL.**

3 (a) **[Duty of care when secured party in possession.]** A secured party shall use
4 reasonable care in the custody and preservation of collateral in the secured party's possession.

5 (b) **[Right of repledge.]** A secured party having possession or control of securities or
6 control of an investment account may create a security interest in the collateral.

7 (c) **[Buyer of certain rights to payment.]** If the secured party is a buyer of accounts,
8 chattel paper, payment intangibles, or promissory notes or a consignor, subsection (a) does not
9 apply unless the secured party is entitled under an agreement:

10 (1) to charge back uncollected collateral; or

11 (2) otherwise to full or limited recourse against the debtor or a secondary obligor
12 based on the nonpayment or other default of an account debtor or other obligor on the collateral.

13 **SECTION 9-205. ADDITIONAL DUTIES OF CERTAIN SECURED PARTIES.**

14 (a) **[Applicability of section.]** This section applies to cases in which there is no
15 outstanding secured obligation and the secured party is not committed to make advances, incur
16 obligations, or otherwise give value.

17 (b) **[Duty of secured party in control of investment account.]** Within 10 tribal business
18 days after receiving a signed demand by the debtor, a secured party having control of an
19 investment account shall send to the investment intermediary with which the investment account
20 is maintained a signed statement that releases the investment intermediary from any further
21 obligation to comply with instructions originated by the secured party.

22 (c) **[Duty of secured party if account debtor has been notified of assignment.]** Within
23 10 tribal business days after receiving a signed demand by the debtor, a secured party shall send
24 to an account debtor that has received notification of an assignment to the secured party as

1 assignee under the provisions of this [act] dealing with discharge of an account debtor and
2 notification of an assignment (Section 9-403), a signed record that releases the account debtor
3 from any further obligation to the secured party. However, this subsection does not apply to an
4 assignment constituting the sale of an account, chattel paper, or payment intangible.

5 **SECTION 9-206. NO INTEREST RETAINED IN RIGHT TO PAYMENT THAT**
6 **IS SOLD; RETAINED POWER OF SELLER OF ACCOUNT OR CHATTEL PAPER.**

7 (a) [Seller retains no interest.] A debtor that has sold an account, chattel paper, payment
8 intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

9 (b) [Power of debtor with respect to account or chattel paper sold.] A debtor that has sold
10 an account or chattel paper has the power to transfer a security interest in the account or chattel
11 paper:

12 (1) while the buyer's security interest is unperfected; or

13 (2) to a person who, prior to the sale, filed a financing statement identifying the
14 account or chattel paper sold as collateral, while the financing statement remains effective.

15 **SECTION 9-207. REQUEST FOR ACCOUNTING; REQUEST REGARDING**
16 **LIST OF COLLATERAL OR STATEMENT OF ACCOUNT.**

17 (a) A debtor may sign a record indicating what the debtor believes to be the aggregate
18 amount of unpaid indebtedness as of specified date and send it to the secured party with a request
19 that the statement be approved or corrected and returned to the debtor. When the security
20 agreement or any other record kept by the secured party identifies the collateral a debtor may
21 similarly request the secured party to approve or correct a list of the collateral.

22 (b) A secured party, other than a buyer of accounts, chattel paper, payment intangibles or
23 promissory notes or a consignor, must comply with such a request within 10 tribal business days
24 after receipt by sending a written correction or approval. If the secured party claims a security

1 interest in all of a particular type of collateral owned by the debtor the secured party may indicate
2 that fact in the reply and need not approve or correct an itemized list of such collateral. If the
3 secured party no longer has an interest in the obligation or collateral at the time the request is
4 received, the secured party must disclose the name and address of any known successor in
5 interest. A successor in interest is not subject to this section until a request is received by the
6 successor.

7 (c) A debtor is entitled to such statement once every six months without charge. The
8 secured party may require payment of a charge not exceeding \$25 for each additional statement
9 furnished.

10 **PART 3**

11 **PERFECTION AND PRIORITY**

12 **SUBPART 1. LAW GOVERNING PERFECTION AND PRIORITY**

13 **SECTION 9-301. LAW GOVERNING PERFECTION AND PRIORITY OF**

14 **SECURITY INTERESTS.** Except as otherwise provided with respect to goods covered by a
15 certificate of title (Section 9-303), the following rules determine the law governing perfection, the
16 effect of perfection or nonperfection, and the priority of a security interest in collateral:

17 (1) Except as otherwise provided in this section, the local law of this [Tribe] [Nation]
18 governs perfection, the effect of perfection or nonperfection, and the priority of a security interest
19 in collateral

20 (A) if the security interest is created pursuant to this [act];

21 (B) from the time that the debtor becomes subject to the jurisdiction of this [Tribe]
22 [Nation] (Section 9-316(d) and (e)); or

23 (C) from the time that the collateral is transferred to a person that thereby becomes
24 a debtor and is subject to the jurisdiction of this [Tribe] [Nation].

1 (2) Except as provided in paragraph (3), while goods are located in a jurisdiction, the local
2 law of that jurisdiction governs

3 (A) perfection of a security interest in the goods by filing a fixture filing; ~~and~~

4 (B) perfection of a security interest in timber to be cut; and

5 (C) perfection, the effect of perfection or nonperfection, and the priority of an
6 agricultural lien on the farm products.

7 (3) The local law of the jurisdiction in which the wellhead or minehead is located governs
8 perfection, the effect of perfection or nonperfection, and the priority of a security interest in as-
9 extracted collateral.

10 (4) This section does not determine the law governing matters not expressly referred to
11 herein, including attachment, validity, characterization, and enforcement.

12 **SECTION 9-302. [RESERVED.]**

13 **SECTION 9-303. LAW GOVERNING PERFECTION AND PRIORITY OF**
14 **SECURITY INTERESTS IN GOODS COVERED BY A CERTIFICATE OF TITLE.**

15 (a) [**Applicability of section.**] This section applies to goods covered by a certificate of
16 title, even if there is no other relationship between the jurisdiction under whose certificate of title
17 the goods are covered and the goods or the debtor.

18 (b) [**When goods covered by certificate of title.**] Goods become covered by a certificate
19 of title when a valid application for the certificate of title and the applicable fee are delivered to
20 the appropriate authority. Goods cease to be covered by a certificate of title at the earlier of the
21 time the certificate of title ceases to be effective under the law of the issuing jurisdiction or the
22 time the goods become covered subsequently by a certificate of title issued by another
23 jurisdiction.

24 (c) [**Applicable law.**] The local law of the jurisdiction under whose certificate of title the

1 goods are covered governs perfection, the effect of perfection or nonperfection, and the priority of
2 a security interest in goods covered by a certificate of title from the time the goods become
3 covered by the certificate of title until the goods cease to be covered by the certificate of title.

4 **SECTION 9-304. [RESERVED.]**

5 **SECTION 9-305. [RESERVED.]**

6 **SECTION 9-306. [RESERVED.]**

7 **SECTION 9-307. [RESERVED.]**

8 **SUBPART 2. PERFECTION**

9 **SECTION 9-308. WHEN SECURITY INTEREST OR AGRICULTURAL LIEN IS**
10 **PERFECTED; CONTINUITY OF PERFECTION.**

11 (a) **[Perfection of security interest.]** Except as otherwise provided in this section and the
12 next section dealing with security interests perfected upon attachment, a security interest is
13 perfected if it has attached and all of the applicable requirements for perfection set forth in this
14 [act] have been satisfied. A security interest is perfected when it attaches if the applicable
15 requirements are satisfied before the security interest attaches.

16 (b) **[Perfection of agricultural lien.]** An agricultural lien is perfected if it has become
17 effective and all of the applicable requirements for perfection set forth in this [act] have been
18 satisfied. An agricultural lien is perfected when it becomes effective if the applicable
19 requirements are satisfied before the agricultural lien becomes effective.

20 (b)(c) **[Continuous perfection; perfection by different methods.]** A security interest or
21 agricultural lien is perfected continuously if it is originally perfected by one method under this
22 [act] and is later perfected by another method under this [act], without an intermediate period
23 when it was unperfected.

24 (d) **[Supporting obligation.]** Perfection of a security interest in collateral also perfects a

1 security interest in a supporting obligation for the collateral.

2 ~~(e)~~(e) **[Lien securing right to payment.]** Perfection of a security interest in a right to
3 payment or performance also perfects a security interest in a security interest, mortgage, or other
4 lien on personal or real property securing the right.

5 ~~(d)~~(f) **[Certain items credited to investment account.]** Perfection of a security interest
6 in an investment account also perfects a security interest in any securities or commodity contracts
7 credited to the investment account.

8 **SECTION 9-309. SECURITY INTEREST PERFECTED UPON ATTACHMENT.**

9 The following security interests are perfected when they attach:

10 (1) a purchase-money security interest in consumer goods, except as otherwise provided in
11 Section 9-311(b) regarding goods subject to certain statutes, regulations or treaties;

12 (2) a security interest created by an assignment of accounts which does not by itself or in
13 conjunction with other assignments to the same assignee transfer a significant part of the
14 assignor's outstanding accounts;

15 (3) a sale of a payment intangible or a promissory note;

16 (4) a security interest created by an assignment of a health-care-insurance receivable to the
17 provider of the health-care goods or services;

18 (5) a security interest created by an assignment of a beneficial interest in a decedent's
19 estate; and

20 (6) a security interest created by an assignment by an individual of an account that is a
21 right to payment of winnings in a lottery or other game of chance.

1 **SECTION 9-310. WHEN FILING REQUIRED TO PERFECT SECURITY**
2 **INTEREST OR AGRICULTURAL LIEN; SECURITY INTERESTS AND**
3 **AGRICULTURAL LIENS TO WHICH FILING PROVISIONS DO NOT APPLY.**

4 (a) [**General rule: perfection by filing.**] Except as otherwise provided in subsection (b)
5 and the section of this [act] dealing with perfection of a security interest in money, a financing
6 statement must be filed to perfect all security interests and agricultural liens.

7 (b) [**Exceptions: filing not necessary.**] The filing of a financing statement is not
8 necessary to perfect a security interest:

9 (1) that is perfected under Section 9-308(c), dealing with liens securing rights to
10 payment;

11 (2) that is perfected when it attaches under Section 9-309;

12 (3) in property subject to a statute, regulation, or treaty described in Section 9-
13 311(a);

14 (4) in goods in possession of a bailee which is perfected under Section 9-312(d)(1)
15 or (2);

16 (5) in certificated securities, negotiable documents, goods, or instruments which is
17 perfected without filing or possession under Section 9-312(e), (f) or (g);

18 (6) in collateral in the secured party's possession under Section 9-313;

19 (7) in a security or an investment account perfected by control under Section 9-
20 314;

21 (8) in proceeds which is perfected under Section 9-315; or

22 (9) that is perfected under Section 9-316 relating to continued perfection of
23 security interests perfected under the law of another jurisdiction.

24 (c) [**Assignment of perfected security interest.**] If a secured party assigns a perfected

1 security interest or agricultural lien, a filing under this [act] is not required to continue the
2 perfected status of the security interest against creditors of and transferees from the original
3 debtor.

4 **SECTION 9-311. PERFECTION OF SECURITY INTERESTS IN PROPERTY**
5 **SUBJECT TO CERTAIN STATUTES, REGULATIONS, AND TREATIES.**

6 (a) **[Security interest subject to other law.]** Except as otherwise provided in subsection
7 (d), the filing of a financing statement is not necessary or effective to perfect a security interest in
8 property subject to:

9 (1) any law of the United States whose requirements for a security interest
10 obtaining priority over the rights of a lien creditor with respect to the property preempt the
11 provisions of this [act] requiring that security interests be perfected by filing;

12 (2) [list any ~~certificate of title~~ statute covering automobiles, trailers, mobile
13 homes, boats, farm tractors, or the like, which provides for a security interest to be indicated on
14 ~~the~~ a certificate of title as a condition or result of perfection, and any central filing statute other
15 than the one provided by this [act]; or

16 (3) a ~~certificate of title~~ statute of another jurisdiction which provides for a security
17 interest to be indicated on ~~the~~ a certificate of title as a condition or result of the security interest
18 obtaining priority over the rights of a lien creditor with respect to the property.

19 (b) **[Compliance with other law.]** Compliance with the requirements of a statute,
20 regulation, or treaty described in subsection (a) for obtaining priority over the rights of a lien
21 creditor is equivalent to the filing of a financing statement under this [act]. Except as otherwise
22 provided in subsection (d) and the provisions of this [act] providing for perfection by possession
23 when goods covered by a certificate of title issued by one jurisdiction become covered by a
24 certificate of title issued by another jurisdiction, a security interest in property subject to a statute,

1 regulation, or treaty described in subsection (a) may be perfected only by compliance with those
2 requirements, and a security interest so perfected remains perfected notwithstanding a change in
3 the use or transfer of possession of the collateral.

4 (c) **[Duration and renewal of perfection.]** Except as otherwise provided in subsection
5 (d) and the provisions of this [act] providing for continued perfection when goods covered by a
6 certificate of title issued by one jurisdiction become covered by a certificate of title issued by
7 another jurisdiction, duration and renewal of perfection of a security interest perfected by
8 compliance with the requirements prescribed by a statute, regulation, or treaty described in
9 subsection (a) are governed by the statute, regulation, or treaty. In other respects, the security
10 interest is subject to this [act].

11 (d) **[Inapplicability to certain inventory.]** During any period in which collateral subject
12 to a statute specified in subsection (a)(2) is inventory held for sale or lease by a person or leased
13 by that person as lessor and that person is in the business of selling goods of that kind, this section
14 does not apply to a security interest in that collateral created by that person.

15 **SECTION 9-312. PERFECTION OF SECURITY INTERESTS IN CHATTEL**
16 **PAPER, DOCUMENTS, GOODS COVERED BY DOCUMENTS, INSTRUMENTS, AND**
17 **MONEY; PERFECTION BY PERMISSIVE FILING; TEMPORARY PERFECTION**
18 **WITHOUT FILING OR TRANSFER OF POSSESSION.**

19 (a) **[Perfection by filing permitted.]** A security interest in chattel paper, negotiable
20 documents, instruments, securities, or investment accounts may be perfected by filing.

21 (b) **[Possession of money.]** Except as otherwise provided in the provisions of this [act]
22 dealing with perfection with respect to proceeds, a security interest in money may be perfected
23 only by the secured party taking possession under the provisions of this [act] dealing with
24 perfection by possession.

1 (c) [**Goods covered by negotiable document.**] While goods are in the possession of a
2 bailee that has issued a negotiable document covering the goods:

3 (1) a security interest in the goods may be perfected by perfecting a security
4 interest in the document; and

5 (2) a security interest perfected in the document has priority over any security
6 interest in the goods that becomes perfected by another method during that time.

7 (d) [**Goods covered by nonnegotiable document.**] While goods are in the possession of
8 a bailee that has issued a nonnegotiable document covering the goods, a security interest in the
9 goods may be perfected by:

10 (1) issuance of a document in the name of the secured party;

11 (2) the bailee's receipt of notification of the secured party's interest; or

12 (3) filing as to the goods.

13 (e) [**Temporary perfection: new value.**] A security interest in certificated securities,
14 negotiable documents, or instruments is perfected without filing or the taking of possession for a
15 period of 20 days from the time it attaches to the extent that it arises for new value given under a
16 signed security agreement.

17 (f) [**Temporary perfection: goods or documents made available to debtor.**] A
18 perfected security interest in a negotiable document or goods in possession of a bailee, other than
19 one that has issued a negotiable document for the goods, remains perfected for 20 days without
20 filing if the secured party makes available to the debtor the goods or documents representing the
21 goods for the purpose of:

22 (1) ultimate sale or exchange; or

23 (2) loading, unloading, storing, shipping, transshipping, manufacturing,
24 processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

1 (g) **[Temporary perfection: delivery of security certificate or instrument to debtor.]**

2 A perfected security interest in a certificated security or instrument remains perfected for 20 days
3 without filing if the secured party delivers the security certificate or instrument to the debtor for
4 the purpose of:

5 (1) ultimate sale or exchange; or

6 (2) presentation, collection, enforcement, renewal, or registration of transfer.

7 (h) **[Expiration of temporary perfection.]** After the 20-day period specified in
8 subsection (e), (f), or (g) expires, perfection depends upon compliance with this [act].

9 **SECTION 9-313. WHEN POSSESSION BY SECURED PARTY PERFECTS**
10 **SECURITY INTEREST WITHOUT FILING.**

11 (a) **[Perfection by possession.]** Except as otherwise provided in subsection (b), a secured
12 party may perfect a security interest in certificated securities, negotiable documents, goods,
13 instruments, money, or chattel paper by taking possession of the collateral.

14 (b) **[Goods covered by certificate of title.]** With respect to goods covered by a certificate
15 of title issued by this [Tribe] [Nation] or a State, a secured party may perfect a security interest in
16 the goods by taking possession of the goods only in the circumstances described in Section 9-
17 316(c), relating to continued perfection of goods covered by a certificate of title.

18 (c) **[Collateral in possession of person other than debtor.]** With respect to collateral
19 other than certificated securities and goods covered by a document, a secured party takes
20 possession of collateral in the possession of a person other than the debtor, the secured party, or a
21 lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

22 (1) the person in possession signs a record acknowledging that it holds possession
23 of the collateral for the secured party's benefit; or

24 (2) the person takes possession of the collateral after having signed a record

1 acknowledging that it will hold possession of collateral for the secured party's benefit.

2 (d) [**Time of perfection by possession; continuation of perfection.**] If perfection of a
3 security interest depends upon possession of the collateral by a secured party, perfection occurs
4 no earlier than the time the secured party takes possession and continues only while the secured
5 party retains possession.

6 (e) [**Acknowledgment not required.**] A person in possession of collateral is not required
7 to acknowledge that it holds possession for a secured party's benefit.

8 (f) [**Effectiveness of acknowledgment; no duties or confirmation.**] If a person
9 acknowledges that it holds possession for the secured party's benefit:

10 (1) the acknowledgment is effective under subsection (c), even if the
11 acknowledgment violates the rights of a debtor; and

12 (2) unless the person otherwise agrees or law other than this [act] otherwise
13 provides, the person does not owe any duty to the secured party and is not required to confirm the
14 acknowledgment to another person.

15 **SECTION 9-314. PERFECTION BY CONTROL.** A security interest in a security or
16 an investment account may be perfected by control.

17 **SECTION 9-315. SECURED PARTY'S RIGHTS ON DISPOSITION OF**
18 **COLLATERAL AND IN PROCEEDS.**

19 (a) [**Disposition of collateral: continuation of security interest or agricultural lien;**
20 **proceeds.**] Except as otherwise provided in this [act] and in any applicable law dealing with
21 entrustment of goods:

22 (1) a security interest or agricultural lien continues in collateral notwithstanding
23 sale, lease, license, exchange, or other disposition thereof unless the secured party authorized the

1 disposition free of the security interest or agricultural lien; and

2 (2) a security interest attaches to any identifiable proceeds of collateral.

3 (b) [**When commingled proceeds identifiable.**] Proceeds that are commingled with
4 other property are identifiable proceeds:

5 (1) if the proceeds are goods, to the extent provided by the provisions of this [act]
6 dealing with commingled goods; and

7 (2) if the proceeds are not goods, to the extent that the secured party identifies the
8 proceeds by a method of tracing, including application of equitable principles, that is permitted
9 under law other than this [act] with respect to commingled property of the type involved.

10 (c) [**Perfection of security interest in proceeds.**] A security interest in proceeds is a
11 perfected security interest if the security interest in the original collateral was perfected.

12 (d) [**Continuation of perfection.**] A perfected security interest in proceeds becomes
13 unperfected on the 21st day after the security interest attaches to the proceeds unless:

14 (1) the following conditions are satisfied:

15 (A) a filed financing statement covers the original collateral;

16 (B) the proceeds are collateral in which a security interest may be perfected
17 by filing in the office in which the financing statement has been filed; and

18 (C) the proceeds are not acquired with cash proceeds;

19 (2) the proceeds are identifiable cash proceeds; or

20 (3) the security interest in the proceeds is perfected other than under subsection (c)
21 when the security interest attaches to the proceeds or within 20 days thereafter.

22 (e) [**When perfected security interest in proceeds becomes unperfected.**] If a filed
23 financing statement covers the original collateral, a security interest in proceeds which remains
24 perfected under subsection (d)(1) becomes unperfected at the later of:

1 (1) when the effectiveness of the filed financing statement lapses or is terminated
2 under the provisions of this [act] dealing with lapse or termination; or

3 (2) the 21st day after the security interest attaches to the proceeds.

4 **SECTION 9-316. CONTINUED PERFECTION OF SECURITY INTEREST**
5 **FOLLOWING CHANGE IN GOVERNING LAW.**

6 (a) **[General rule: effect on perfection of change in governing law.]** A security interest
7 to which this [act] becomes applicable that is perfected pursuant to the law of another jurisdiction
8 remains perfected until the earliest of:

9 (1) the time perfection would have ceased under the law of that jurisdiction;

10 (2) the expiration of four months after the debtor becomes subject to the
11 jurisdiction of this [Tribe] [Nation] (subsections (d) and (e)); or

12 (3) the expiration of one year after a transfer of collateral to a person that thereby
13 becomes a debtor and is subject to the jurisdiction of this [Tribe] [Nation].

14 (b) **[Security interest perfected or unperfected under law of this [Tribe] [Nation].]** If
15 a security interest described in subsection (a) becomes perfected under the law of this [Tribe]
16 [Nation] before the end of the applicable period described in that subsection, it remains perfected
17 thereafter until perfection lapses in accordance with this [act]. Otherwise, it becomes unperfected
18 and is deemed never to have been perfected as against a purchaser of the collateral for value.

19 (c) **[Goods covered by certificate of title from this [Tribe] [Nation].]** A security interest
20 to which this [act] becomes applicable which is perfected by any method under the law of another
21 jurisdiction when the goods become covered by a certificate of title from this [Tribe] [Nation]
22 remains perfected until the security interest would have become unperfected under the law of the
23 other jurisdiction had the goods not become so covered. However, the security interest becomes
24 unperfected as against a purchaser of the goods for value and is deemed never to have been

1 perfected as against a purchaser of the goods for value, if the applicable requirements for
2 perfection under Section 9-311(b) or 9-313, dealing with perfection by compliance with other law
3 or by possession, are not satisfied before the earlier of:

4 (1) the time the security interest would have become unperfected under the law of
5 the other jurisdiction had the goods not become covered by a certificate of title from this [Tribe]
6 [Nation]; or

7 (2) the expiration of four months after the goods had become so covered.

8 (d) **[When debtor subject to jurisdiction of this [Tribe] [Nation] for purposes of this**
9 **section.]** For purposes of this section only, a debtor becomes subject to the jurisdiction of this
10 [Tribe] [Nation] if:

11 (1) the debtor is an individual whose principal residence comes to be within this
12 jurisdiction or who becomes a member of this [Tribe] [Nation];

13 (2) the debtor is an organization, other than a registered organization, and its sole
14 place of business or, if it has more than one place of business, its chief executive office, comes to
15 be within this jurisdiction; or

16 (3) the debtor comes to be

17 (A) a registered organization that is organized solely under the law of this
18 [Tribe] [Nation]; or

19 (B) incorporated under a charter issued to a tribe by the United States
20 Secretary of the Interior pursuant to 25 U.S.C. § 477, as the same may be amended from time to
21 time.

22 ~~The term “registered organization” means an organization organized solely under the law of this~~
23 ~~[Tribe] [Nation], a single State, or the United States and as to which this [Tribe] [Nation], the~~
24 ~~State, or the United States must maintain a public record showing the organization to have been~~

1 ~~organized.~~ The term “place of business” means a place where a debtor conducts its affairs.

2 (e) **[Continuation of jurisdiction: cessation of existence, etc.]** For purposes of
3 subsection (d),

4 (1) a person other than a registered organization continues to be subject to the
5 jurisdiction of this [Tribe] [Nation] notwithstanding the fact that it ceases to exist, have a
6 residence, or have a place of business; and

7 (2) a registered organization continues to be subject to the jurisdiction of this
8 [Tribe] [Nation] notwithstanding

9 (A) the suspension, revocation, forfeiture, or lapse of the registered
10 organization’s status as such; or

11 (B) the dissolution, winding up, or cancellation of the existence of the
12 registered organization.

13 (f) **[Effect of filed financing with respect to after-acquired collateral.]** If a security
14 interest remains perfected under subsection (a) after a change of the debtor’s location to another
15 jurisdiction:

16 (1) the financing statement that perfected the security interest pursuant to the law
17 of the jurisdiction designated in Section 9-301(1) is effective to perfect a security interest in
18 collateral to which a security interest attaches after the change of debtor’s location until the earlier
19 of the times or events described in subsection (a)(1) and (2); and

20 (2) subsection (b) applies to the after-acquired collateral to the same extent that it
21 applies to the collateral to which a security interest attached before the location of the debtor
22 changed.

23

1 **SUBPART 3. PRIORITY**

2 **SECTION 9-317. INTERESTS THAT TAKE PRIORITY OVER SECURITY**

3 **INTEREST OR AGRICULTURAL LIEN.**

4 (a) [**Subordination to certain lien creditors and purchasers.**] A security interest or
5 agricultural lien is subordinate to the rights of:

6 (1) a person that becomes a lien creditor before the security interest is perfected;

7 (2) a buyer of tangible personal property (including instruments and tangible
8 documents or chattel paper), a lessee of goods, a licensee of a general intangible, or a buyer of
9 accounts or general intangibles or securities that

10 (A) gives value; and

11 (B) in the case of a buyer of tangible personal property, a lessee of goods,
12 or a buyer of a security certificate, acquires possession;

13 (C) in all cases to which this subsection (a)(2) applies, without knowledge
14 of the security interest or agricultural lien and before it is perfected;

15 (3) a secured party entitled to priority under subsection (c).

16 (b) [**Purchase-money grace period.**] Notwithstanding subsection (a), a purchase money
17 secured party that files a financing statement before or within 20 days after the debtor acquires
18 possession of the collateral has priority over the rights of a buyer, lessee or lien creditor which
19 arise between the time the security interest attaches and the time of filing.

20 (c) [**General rule for priority among conflicting secured parties.**] Priority among
21 conflicting security interests and agricultural liens in the same collateral is determined as follows:

22 (1) Conflicting perfected security interests and agricultural liens in the same
23 collateral rank according to priority in time of filing or perfection. Priority dates from the earlier
24 of the time a filing covering the collateral is first made or the security interest or agricultural lien

1 is first perfected, if there is no period thereafter when there is neither filing nor perfection.

2 (2) A perfected security interest or agricultural lien has priority over a conflicting
3 unperfected security interest or agricultural lien.

4 (3) The first security interest or agricultural lien to attach has priority if conflicting
5 security interests and agricultural liens are unperfected.

6 (d) [**Time of perfection for proceeds.**] The time of filing or perfection as to a security
7 interest in collateral is also the time of filing or perfection as to a security interest in proceeds,
8 except as provided in Section 9-318.

9 (e) [**Priority in proceeds.**] Except as provided elsewhere in this part, a security interest
10 that has priority under Section 9-318(e), (f) or (j) also has priority over a conflicting security
11 interest in proceeds if

12 (1) the security interest in proceeds is perfected;

13 (2) the proceeds are cash proceeds or of the same type as the collateral; and

14 (3) in the case of proceeds of proceeds, all intervening proceeds are cash proceeds,
15 proceeds of the same type as the collateral, or an account relating to the collateral.

16 (f) [**First-to-file rule for certain collateral.**] If a security interest in chattel paper,
17 negotiable documents, instruments, securities or investment accounts is perfected by a method
18 other than filing, and if the proceeds are not cash proceeds, chattel paper, negotiable documents,
19 instruments, securities, investment accounts or letter of credit rights, then priority in the proceeds
20 is determined by the order of any filing.

21 (g) [**Deferral to other applicable law.**] If applicable law other than this [act] gives a
22 security interest or right of set-off to a collecting bank, an issuer or nominated person with respect
23 to a letter of credit, a buyer [or seller] or lessee of goods, or in personal property that is not
24 subject to this [act], that law governs in the event of conflict with the provisions of this [act].

1 **SECTION 9-318. PARTICULAR PRIORITY RULES.**

2 (a) **[Relationship to preceding Section.]** This section creates exceptions to the general
3 priority rules of Section 9-317.

4 (b) **[Consignee deemed to have rights of consignor.]** For the purpose of this [act], while
5 goods are in the possession of a consignee, the consignee is deemed to have rights and title to the
6 goods identical to those the consignor had or had power to transfer. If Part 3 of this [act] results
7 in the consignor having priority over a creditor of the consignee, law other than this [act]
8 determines the rights and title of the consignee with regard to that creditor.

9 (c) **[Ordinary course buyers, licensees and lessees take free.]** Except as otherwise
10 provided in this subsection, a buyer in ordinary course of business, a person that takes a non-
11 exclusive license of a general intangible in ordinary course of business, or a person that takes a
12 lease of goods in ordinary course of business, takes its interest in the collateral free of a security
13 interest in the collateral created by the seller, licensor, or lessor, even if the security interest is
14 perfected and the buyer, licensee or lessee knows of its existence. Whether a licensee or lessee
15 takes its interest in ordinary course of business is to be determined by criteria parallel to those for
16 a buyer in ordinary course of business (Section 9-102(a)(7)). This subsection does not apply to

17 (1) a buyer of farm products from a person engaged in farming operations, unless
18 the buyer

19 (A) obtains from the seller a notarized statement setting forth the name and
20 address of any person that has a security interest in the farm products; and

21 (B) either (i) obtains a consent to the sale free of the security interest from
22 the secured party or (ii) makes payment for the farm products jointly to the seller and the secured
23 party;

24 (2) a buyer of goods in the possession of the secured party (Section 9-313).

1 (d) **[Buyer of consumer goods takes free.]** A buyer of goods from a person who used or
2 bought the goods for use primarily for personal, family or household purposes takes free of a
3 security interest, even if perfected, if the buyer buys

4 (1) without knowledge of the security interest;

5 (2) for value;

6 (3) primarily for the buyer's personal, family, or household purposes; and

7 (4) in the case of goods having a value of \$5,000 or more, before the filing of a
8 financing statement covering the goods. However, this subsection does not apply to a buyer of
9 goods in the possession of the secured party (Section 9-313).

10 (e) **[Purchaser of chattel paper or instrument.]**

11 (1) A purchaser of chattel paper or an instrument has priority over a security
12 interest if

13 (A) the purchaser, in good faith and in the ordinary course of the
14 purchaser's business, gives new value and takes possession of the collateral;

15 (B) the collateral does not indicate that it has been previously assigned to
16 an identified person other than the purchaser; and

17 (C) the purchaser is otherwise without knowledge that the purchase violates
18 the rights of the secured party.

19 (2) A purchaser with priority in chattel paper under subsection (e)(1) also has
20 priority in proceeds of the chattel paper to the extent that

21 (A) the proceeds consist of the specific goods covered by the chattel paper
22 or cash proceeds of the specific goods, even if the security interest in the proceeds is unperfected;

23 or

24 (B) Section 9-317(c), (d) or (e) so provides.

1 (f) **[Holder in due course and others protected.]** This [act] does not limit the rights of,
2 or impose liability on, a holder in due course of a negotiable instrument, a holder to which a
3 negotiable document has been duly negotiated, or a person protected against the assertion of a
4 claim to investment property under other applicable law. Filing under this [act] is not notice of a
5 claim or defense to the holder or protected person.

6 (g) **[Priority of future advances.]**

7 (1) With respect to a conflicting security interest, the priority of an advance under
8 a security agreement is determined under Section 9-317(b), except that perfection dates from the
9 time the advance is made if the security interest securing it is perfected only by attachment
10 (Section 9-309) or temporarily by law (Section 9-312(e), (f) or (g)) and is not made pursuant to a
11 commitment entered into before or while the security interest is perfected by another means.

12 (2) With respect to a lien creditor, the security interest securing an advance is
13 subordinate if the advance is made more than 45 days after the person becomes a lien creditor,
14 unless the advance is made without knowledge of the lien or pursuant to a commitment entered
15 into without knowledge of the lien.

16 (3) With respect to a buyer of goods other than a buyer in ordinary course of
17 business (Section 9-102(a)(7)), and with respect to a lessee of goods that does not take its lease in
18 ordinary course of business (Section 9-318(c)), the security interest securing an advance is
19 subordinate if the advance is made after the earlier of the time the secured party acquires
20 knowledge of the purchase or 45 days after the purchase, unless the advance is made pursuant to a
21 commitment entered into without knowledge of the purchase and before the expiration of the 45-
22 day period.

23 (4) Paragraphs (1) and (2) of this subsection do not apply to a security interest held
24 by a person that is a consignor or a buyer of accounts, chattel paper, payment intangibles or

1 promissory notes.

2 (h) **[Purchase money super-priority.]** The following rules governs the priority of a
3 purchase money security interest and a conflicting security interest in collateral and its proceeds:

4 (1) **[Goods other than inventory and livestock.]** A perfected purchase-money
5 security interest in goods other than inventory or livestock that are farm products has priority over
6 a conflicting security interest, and a perfected security interest in identifiable proceeds also has
7 priority, if the purchase-money security interest is perfected when the debtor receives possession
8 of the collateral or within 20 days thereafter.

9 (2) **[Inventory and livestock.]** A perfected purchase-money security interest in
10 inventory or livestock that are farm products has priority over a conflicting security interest if the
11 purchase-money security interest is perfected when the debtor acquires possession of the goods
12 and the purchase-money secured party sends timely and appropriate notice to the holder of the
13 conflicting security interest, provided that no such notice is required unless the holder of the
14 conflicting security interest has filed a financing statement covering the same types of goods:

15 (A) before the purchase-money security interest is perfected by filing; or

16 (B) if the purchase-money security interest is temporarily perfected under
17 Section 9-312(f), before the beginning of the applicable 20-day period.

18 If a purchase-money secured party has priority in inventory under this paragraph (2), it also has
19 priority in chattel paper or an instrument constituting proceeds, in proceeds of the chattel paper
20 except as otherwise provided in this section, and in identifiable cash proceeds received on or
21 before delivery of the goods to a buyer. If a purchase-money secured party has priority in
22 livestock that are farm products under this paragraph (2), it also has priority in their identifiable
23 proceeds and products in their unmanufactured states.

24 (3) **[Software.]** A perfected purchase-money security interest in software has

1 priority over a conflicting security interest, and a perfected security interest in its identifiable
2 proceeds also has priority, to the extent that the purchase-money security interest in the goods in
3 which the software was acquired for use has priority in the goods and proceeds of the goods.

4 (4) **[Priority among PMSIs.]** Notwithstanding the rest of this subsection (f), if
5 two or more purchase-money security interests are perfected in the same collateral, the security
6 interest securing an obligation for the price has priority, and otherwise priority is determined by
7 the rule of Section 9-317(b).

8 (i) **[Transferee of money or funds takes free.]** A transferee of money or of funds from a
9 deposit account takes the money or funds free of a security interest unless the transferee acts in
10 collusion with the debtor in violating the rights of the secured party.

11 (j) **[Priority of interest perfected by control; possession of certificated security in**
12 **registered form.]** A security interest in a security or an investment account perfected by control
13 (Section 9-314) has priority over a security interest perfected in another way. Multiple security
14 interests perfected by control rank according to time of acquiring control; however, a security
15 interest held by an investment intermediary in the investment account that it maintains has
16 priority regardless of time of acquiring control. A security interest in a certificated security in
17 registered form that is perfected by possession (Section 9-313) and not by control has priority
18 over a conflicting security interest perfected by a method other than control.

19 (k) **[Possessory liens.]** A lien created by statute or rule of law which secures payment or
20 performance of an obligation for services or materials furnished with respect to goods by a person
21 in the ordinary course of the person's business and whose effectiveness depends on the person's
22 possession of the goods has priority over a security interest or agricultural lien in the goods unless
23 the [possessory] lien is created by a statute that expressly provides otherwise.

24 **Legislative Note:** Tribes or Nations may want to examine their laws governing tribal liens in

1 *order to decide whether those laws provide desirable rules about the priority of tribal liens*
2 *relative to security interests.*

3

4 **SECTION 9-319. PRIORITY OF SECURITY INTERESTS IN FIXTURES AND**

5 **CROPS.**

6 (a) **[Security interest in fixtures under this [act].]** A security interest under this [act]
7 may be created in goods that are fixtures or may continue in goods that become fixtures. A
8 security interest does not exist under this [act] in ordinary building materials incorporated into an
9 improvement on land.

10 (b) **[Security interest in fixtures under real-property law.]** This [act] does not prevent
11 creation of an encumbrance upon fixtures under real property law.

12 (c) **[General rule: subordination of security interest in fixtures.]** In cases not
13 governed by subsections (d) through (h), a security interest in fixtures is subordinate to a
14 conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

15 (d) **[Fixtures purchase-money priority.]** Except as otherwise provided in subsection (h),
16 a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer
17 or owner of the real property if the debtor has an interest of record in or is in possession of the
18 real property and:

19 (1) the security interest is a purchase-money security interest;

20 (2) the interest of the encumbrancer or owner arises before the goods become
21 fixtures; and

22 (3) the security interest is perfected by an appropriate filing before the goods
23 become fixtures or within 20 days thereafter.

24 (e) **[Priority of security interest in fixtures over interests in real property.]** A
25 perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or

1 owner of the real property if:

2 (1) the debtor has an interest of record in the real property or is in possession of the
3 real property and the security interest:

4 (A) is perfected by an appropriate filing before the interest of the
5 encumbrancer or owner is of record; and

6 (B) has priority over any conflicting interest of a predecessor in title of the
7 encumbrancer or owner;

8 (2) before the goods become fixtures, the security interest is perfected by any
9 method permitted by this [act] and the fixtures are readily removable:

10 (A) factory or office machines;

11 (B) equipment that is not primarily used or leased for use in the operation
12 of the real property; or

13 (C) replacements of domestic appliances that are consumer goods;

14 (3) the conflicting interest is a lien on the real property obtained by legal or
15 equitable proceedings after the security interest was perfected by any method permitted by this
16 [act]; or

17 (4) the security interest is:

18 (A) created in a manufactured home in a manufactured-home transaction;

19 and

20 (B) perfected pursuant to a statute described in Section 9-311(a)(2).

21 (f) **[Priority based on consent, disclaimer, or right to remove.]** A security interest in
22 fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or
23 owner of the real property if:

24 (1) the encumbrancer or owner has, in a signed record, consented to the security

1 interest or disclaimed an interest in the goods as fixtures; or

2 (2) the debtor has a right to remove the goods as against the encumbrancer or
3 owner.

4 (g) [**Continuation of paragraph (f)(2) priority.**] The priority of the security interest
5 under paragraph (f)(2) continues for a reasonable time if the debtor right to remove the goods as
6 against the encumbrancer or owner terminates.

7 (h) [**Priority of construction mortgage.**] A mortgage is a construction mortgage to the
8 extent that it secures an obligation incurred for the construction of an improvement on land,
9 including the acquisition cost of the land, if a recorded record of the mortgage so indicates.
10 Except as otherwise provided in subsections (e) and (f), a security interest in fixtures is
11 subordinate to a construction mortgage if a record of the mortgage is recorded before the goods
12 become fixtures and the goods become fixtures before the completion of the construction. A
13 mortgage has this priority to the same extent as a construction mortgage to the extent that it is
14 given to refinance a construction mortgage.

15 (i) [**Priority of security interest in crops.**] A perfected security interest in crops growing
16 on real property has priority over a conflicting interest of an encumbrancer or owner of the real
17 property if the debtor has an interest of record in or is in possession of the real property.

18 (j) [**Subsection (i) prevails.**] Subsection (i) prevails over any inconsistent provisions of
19 the following statutes:

20 [List here any statutes containing provisions inconsistent with subsection (i).]

21 **SECTION 9-320. ACCESSIONS.**

22 (a) [**Creation of security interest in accession.**] A security interest may be created in an
23 accession and continues in collateral that becomes an accession.

24 (b) [**Perfection of security interest.**] If a security interest is perfected when the collateral

1 becomes an accession, the security interest remains perfected in the collateral.

2 (c) **[Priority of security interest.]** Except as otherwise provided in subsection (d), the
3 other provisions of this part determine the priority of a security interest in an accession.

4 (d) **[Compliance with certificate-of-title statute.]** A security interest in an accession is
5 subordinate to a security interest in the whole which is perfected by compliance with the
6 requirements of a certificate-of-title statute under Section 9-311(b).

7 (e) **[Removal of accession after default.]** After default, subject to Part 6, a secured party
8 may remove an accession from other goods if the security interest in the accession has priority
9 over the claims of every person having an interest in the whole.

10 (f) **[Reimbursement following removal.]** A secured party that removes an accession
11 from other goods under subsection (e) shall promptly reimburse any holder of a security interest
12 or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of
13 repair of any physical injury to the whole or the other goods. The secured party need not
14 reimburse the holder or owner for any diminution in value of the whole or the other goods caused
15 by the absence of the accession removed or by any necessity for replacing it. A person entitled to
16 reimbursement may refuse permission to remove until the secured party gives adequate assurance
17 for the performance of the obligation to reimburse.

18 **SECTION 9-321. COMMINGLED GOODS.**

19 (a) **["Commingled goods."]** In this section, "commingled goods" means goods that are
20 physically united with other goods in such a manner that their identity is lost in a product or mass.

21 (b) **[No security interest in commingled goods as such.]** A security interest does not
22 exist in commingled goods as such. However, a security interest may attach to a product or mass
23 that results when goods become commingled goods.

24 (c) **[Attachment of security interest to product or mass.]** If collateral becomes

1 commingled goods, a security interest attaches to the product or mass.

2 (d) **[Perfection of security interest.]** If a security interest in collateral is perfected before
3 the collateral becomes commingled goods, the security interest that attaches to the product or
4 mass under subsection (c) is perfected.

5 (e) **[Priority of security interest.]** Except as otherwise provided in subsection (f), the
6 other provisions of this part determine the priority of a security interest that attaches to the
7 product or mass under subsection (c).

8 (f) **[Conflicting security interests in product or mass.]** If more than one security
9 interest attaches to the product or mass under subsection (c), the following rules determine
10 priority:

11 (1) A security interest that is perfected under subsection (d) has priority over a
12 security interest that is unperfected at the time the collateral becomes commingled goods.

13 (2) If more than one security interest is perfected under subsection (d), the security
14 interests rank equally in proportion to the value of the collateral at the time it became commingled
15 goods.

16 **SECTION 9-322. PRIORITY OF SECURITY INTERESTS IN GOODS COVERED**

17 **BY CERTIFICATE OF TITLE.** If, while a security interest in goods is perfected by any
18 method under the law of another jurisdiction, this jurisdiction issues a certificate of title (Section
19 9-106(a)(11)) that does not show that the goods are subject to the security interest or contain a
20 statement that they may be subject to security interests not shown on the certificate:

21 (1) a buyer of the goods, other than a person in the business of selling goods of that kind,
22 takes free of the security interest if the buyer gives value and receives delivery of the goods after
23 issuance of the certificate and without knowledge of the security interest; and

24 (2) the security interest is subordinate to a conflicting security interest in the goods that

1 attaches, and is perfected under Section 9-311(b), after issuance of the certificate and without the
2 conflicting secured party's knowledge of the security interest.

3 **SECTION 9-323. PRIORITY SUBJECT TO SUBORDINATION.** This [act] does not
4 preclude subordination by agreement by a person entitled to priority.

5 **PART 4**

6 **RIGHTS OF THIRD PARTIES**

7 **SECTION 9-401. ALIENABILITY OF DEBTOR'S RIGHTS.** Whether a debtor's
8 rights in collateral may be voluntarily or involuntarily transferred is governed by law other than
9 this [act]; however, an agreement between a debtor and secured party which prohibits a transfer of
10 the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from
11 taking effect. This section is subject to Section 9-404, which invalidates certain legal and
12 contractual restrictions on transferability that generally would be effective under other law.

13 **SECTION 9-402. SECURED PARTY NOT OBLIGATED ON CONTRACT OF**
14 **DEBTOR OR IN TORT.** The existence of a security interest, agricultural lien, or authority
15 given to a debtor to dispose of or use collateral, without more, does not subject a secured party to
16 liability in contract or tort for the debtor's acts or omissions.

17 **SECTION 9-403. RIGHTS OF ASSIGNEE.**

18 (a) [**Waiver-of-defense clauses; limitations thereon.**] An agreement between an account
19 debtor and an assignor not to assert against an assignee any claim or defense that the account
20 debtor may have against the assignor is enforceable by an assignee that takes an assignment in
21 good faith, and for value as defined in the law governing negotiable instruments, except as to
22 claims or defenses that may be asserted against a holder in due course of a negotiable instrument.
23 However, such an agreement is not enforceable if

1 (1) the agreement relates to an obligation incurred on account of a sale or lease of
2 goods or services;

3 (2) the account debtor seeks or acquires the goods or services primarily for
4 personal, family or household use; and

5 (3) the assignor, in the ordinary course of its business, sells or leases goods or
6 services to consumers.

7 **(b) [Parallel rule for negotiable instruments.]** If a negotiable promissory note
8 represents an obligation incurred on account of a sale or lease of goods or service, and the issuer
9 seeks or acquires the goods or services primarily for personal, family or household use, and the
10 payee, in the ordinary course of its business, sells or leases goods or services to consumers, then
11 the issuer may assert any claims and defenses against a person entitled to enforce the note,
12 including a holder in due course.

13 **(c) [Assignee's rights subject to terms, claims and defenses.]** Except to the extent an
14 agreement to the contrary is enforceable under subsection (a), the rights of an assignee are subject
15 to reduction of the amount owed by reason of all terms of the contract between the account debtor
16 and assignor, any defense or claim in recoupment arising from the transaction that gave rise to the
17 contract, and any other defense or claim of the account debtor against the assignor which accrues
18 before the account debtor receives adequate notification of the assignment signed by the assignor
19 or the assignee. This subsection does not apply to the assignee of a health-care-insurance
20 receivable.

21 **(d) [Discharge of account debtor or party to instrument.]** An account debtor or party
22 to a negotiable promissory note may discharge its obligation by paying the assignor or person
23 formerly entitled to enforce the note until, but not after, such account debtor or party receives:

24 (1) adequate notification that performance is to be rendered to the assignee or

1 transferee, signed

2 (A) in the case of an account debtor, by the assignor or assignee, and

3 (B) in the case of a negotiable promissory note, by the transferor or

4 transferee; and

5 (2) if requested by such account debtor or party, reasonable proof of the

6 assignment or transfer.

7 In the case of an account debtor, discharge under this subsection is effective notwithstanding an
8 otherwise enforceable agreement not to assert claims or defenses. In the case of a party to a
9 negotiable promissory note, discharge under this subsection is effective against a holder in due
10 course.

11 (e) **[Modifications of contract.]** A modification of or substitution for an assigned
12 contract is effective against an assignee to the extent provided by law other than this [act].

13 **SECTION 9-404. RESTRICTIONS ON ASSIGNMENT.**

14 (a) **[Commercially harmful restrictions on alienation invalid.]** A commercially harmful
15 restriction on alienation (subsections (b), (c) and (d)) of property is invalid.

16 (b) **[Commercially harmful defined for certain transactions.]** In an assignment of
17 accounts other than health-care-insurance receivables, an assignment of chattel paper, an
18 assignment of payment intangibles that is not a sale, or a transfer of promissory notes that is not a
19 sale, the term “commercially harmful restriction on alienation” means a term in an agreement
20 between an account debtor and an assignor, or in a promissory note, to the extent that it

21 (1) prohibits, restricts, or requires the consent of the account debtor or person
22 obligated on the promissory note, to the assignment or transfer of, or the creation, attachment,
23 perfection, or enforcement of a security interest in, the affected property; or

24 (2) provides that such an assignment, transfer, creation, attachment, perfection, or

1 enforcement may give rise to a default or remedy.

2 (c)(1) [**Commercially harmful defined less broadly for other transactions.**] In an
3 assignment of a health-care-insurance receivable, a sale of promissory notes, a sale of payment
4 intangibles, or a security interest in other general intangibles (including a contract, permit, or
5 license, or franchise) that is not a sale, the term “commercially harmful restriction on alienation”
6 has the same meaning as in subsection (b) except that the references to enforcement of a security
7 interest appearing in subsection (b)(1) and (2) are excluded.

8 (2) [**Limitation on effect in such other transactions.**] To the extent a
9 commercially harmful restriction on alienation under paragraph (c)(1) would otherwise be
10 effective under law other than this [act], the creation, attachment, or perfection of the security
11 interest:

12 (A) does not impose a duty or obligation on the account debtor or person
13 obligated on the promissory note;

14 (B) is not enforceable against the account debtor or person obligated on the
15 promissory note; and

16 (C) does not entitle the secured party to:

17 (i) use the debtor’s rights in or to the property;

18 (ii) have access to trade secrets or confidential information of the
19 account debtor or person obligated on the promissory note; or

20 (iii) enforce the security interest.

21 (d) [**Rule of law as commercially harmful restriction.**] In addition to the meanings set
22 forth in subsections (b) and (c), the term “commercially harmful restriction on alienation” includes
23 a rule of law to the extent that it

1 (1) requires the consent of a governmental body or official to the assignment or
2 transfer of, or actions described in subsection (b) or (c), as applicable, regarding a security interest
3 in, the property; or

4 (2) has any of the effects of a commercially harmful restriction on alienation as
5 defined in subsection (b) or (c), as applicable.

6 (e) **[Deferral to consumer law; inapplicability.]** This section is subject to any different
7 rule in other law for a consumer. In addition, this section does not apply to an assignment of

8 (1) a claim or right to receive compensation for injuries or sickness as described in
9 26 U.S.C. § 104(a)(1) or (2), as the same may be amended from time to time;

10 (2) a claim or right to receive benefits under a special needs trust as described in
11 42 U.S.C. § 1396p(d)(4), as the same may be amended from time to time.

12 (3) a structured settlement payment right; or

13 (4) a right to payment of winnings in a lottery or other game of chance regulated
14 by law other than this [act].

15 ***Legislative Note:*** Tribes or Nations may want to expand Section 9-404(e) in order to
16 accommodate existing tribal-law restrictions on alienation that the Tribe or Nation wishes to
17 preserve.

18 **PART 5**

19 **FILING**

20 **SECTION 9-501. ACCEPTANCE, REFUSAL, AND EFFECTIVENESS OF**
21 **FINANCING STATEMENTS; ADMINISTRATION.**

22 (a) **[Place to file.]** The place to file a financing statement to perfect a security interest or
23 agricultural lien governed by this [act] or another record relating to a security interest is the office
24 of _____. [However, if (1) the collateral is as-extracted collateral or timber to be
25 cut, or (2) the financing statement is filed as a fixture filing, the collateral is goods that are or are

1 to become fixtures, and the debtor is not a transmitting utility, then the place to file the financing
2 statement is the office designated for the filing or recording of a record of a mortgage on the
3 related real property.]

4 (b) **[Pre-filing; acceptance and refusal.]** A financing statement may be filed before a
5 security agreement is made or a security interest attaches. Receipt by the filing office of a
6 financing statement or other record, in appropriate form by an appropriate method, and tender of
7 the filing fee, constitutes filing, and in those cases the filing office must accept the record. If the
8 filing office refuses the record, it must communicate that fact to the person that presented the
9 record, as well as the reason for refusal and the date and time that the record would have
10 otherwise been filed.

11 (c) **[Effectiveness of financing statement; minor errors.]** A record in appropriate form
12 and communicated to the filing office by an appropriate method is effective even if:

13 (1) it is improperly refused by the filing office, except as against a purchaser of the
14 collateral for value in reasonable reliance on the absence of the record from the files;

15 (2) it is incorrectly indexed by the filing office; or

16 (3) it has minor errors or omissions in information required to perfect a security
17 interest, unless the errors or omissions make the record seriously misleading. If a financing
18 statement fails sufficiently to provide the name of the debtor, the name provided does not make
19 the financing statement seriously misleading if a search of the filing office's records under the
20 debtor's correct name using the filing office's standard search logic, if any, would disclose the
21 financing statement.

22 (d) **[Subordination in certain cases of reliance.]** If information that the filing office's
23 regulations require to be included in a record, but that Section 9-502(a) does not require for

1 perfection of a security interest, is incorrect at the time the record is filed, the security interest is
2 subordinate to a conflicting perfected security interest or the interest of a purchaser other than a
3 secured party, to the extent that

4 (1) the holder of the conflicting security interest gives value in reasonable reliance
5 on the incorrect information; or

6 (2) the purchaser gives value and, in the case of a buyer or lessee of property
7 capable of being possessed, takes possession, all in reasonable reliance on the incorrect
8 information.

9 (e) **[Fees.]** [The fee for filing and indexing a record under subsection (a) is
10 \$_____. If a uniform form authorized by filing office regulation is used, the fee is reduced
11 to \$_____.] [The filing office may set fees for filing and indexing a record under
12 subsection (a) by regulation.]

13 (f) **[Regulations.]** The filing office is charged with administration of Part 5 of this [act].
14 In accordance with applicable administrative and interpretive rules and after review and approval
15 of the tribal legislative body, the filing office shall promulgate and make available the following,
16 in both cases consistent with this [act] and with tribal and commercial policy:

17 (1) regulations to the extent thought necessary for the effective implementation and
18 enforcement of Part 5 of this [act]; and

19 (2) an implementation manual providing guidance to persons entering into
20 transactions governed by this [act].

21 (g) **[Delegation of administration.]** The tribal legislative body may delegate the
22 administration of Part 5 of this [act] to a third party, including the filing office or offices of
23 another jurisdiction. No delegation of performance relieves the filing office of any duty imposed
24 on it by this [act].

1 **SECTION 9-502. CONTENTS OF RECORDS; AUTHORIZATION; LAPSE;**
2 **CONTINUATION; TERMINATION.**

3 (a) **[Information required for perfection; other required contents.]** A financing
4 statement is sufficient to perfect a security interest or agricultural lien only if it provides the name
5 of the debtor, the name of the secured party or a representative of the secured party, and indicates
6 the collateral covered by the financing statement with a description, whether or not specific, that
7 reasonably identifies the collateral or states that it covers all assets or all personal property. A
8 financing statement or a record of a mortgage that covers as-extracted collateral or timber to be
9 cut, or that is filed as a fixture filing and covers goods that are or are to become fixtures, is
10 sufficient only if in addition it includes such further information as required by filing office
11 regulation. A record that constitutes a termination statement, assigns a record, continues a record,
12 or otherwise amends a record must comply with the regulations of the filing office for such
13 records.

14 (b) **[Other information and filing office regulations.]** A record may include information
15 other than that required by subsection (a), such as addresses for the debtor and secured party, the
16 characterization of a party as an individual or an organization ~~and, if an organization, the type of~~
17 ~~organization, and the jurisdiction of organization of the debtor~~, or a trade name for the debtor, and
18 may use other terms such as “consignor”, “lessor”, or “licensor”, to the extent permitted by and in
19 compliance with the regulations of the filing office, and shall include such other information to
20 the extent required by such regulations.

21 (c) **[Duration of effectiveness.]** A validly filed financing statement is effective for five
22 years after the date of filing unless sooner terminated, except as follows:

23 (1) If the financing statement correctly indicates that it is filed in connection with a
24 manufactured-home transaction or a public-finance transaction, it is effective for thirty years after

1 the date of filing unless sooner terminated;

2 (2) If the debtor is a transmitting utility and the initial financing statement so
3 indicates, the financing statement is effective until terminated; and

4 (3) A mortgage that is effective as a financing statement is effective until the
5 mortgage is satisfied of record.

6 (d) [**Continuation and lapse.**] A financing statement lapses at the end of the period
7 specified in subsection (c) unless a continuation statement is filed within six months before the
8 expiration of the period. A lapsed financing statement ceases to perfect the security interest or
9 agricultural lien unless it is perfected otherwise before lapse, and the security interest or
10 agricultural lien is deemed to never have been perfected against a purchaser of the collateral for
11 value.

12 (e) [**Effect of continuation and other amendments.**] Upon proper continuation, the
13 effectiveness of a filed financing statement continues for an additional period commencing on the
14 date on which it otherwise would have become ineffective, and again may lapse unless further
15 continued. An amendment to a financing statement other than a continuation statement does not
16 extend the effectiveness of a financing statement, is effective only from its date of filing, and may
17 be effective as a termination statement as prescribed in the regulations of the filing office.

18 (f) [**Termination statement.**] Upon the filing of a termination statement, the financing
19 statement to which the termination statement relates ceases to be effective. A secured party or
20 secured party of record shall file, cause to be filed, or send a termination statement in accordance
21 with the regulations promulgated under this [act].

22 (g) [**Persons entitled to file.**] Only a person authorized by the debtor in compliance with
23 this subsection or with regulations of the filing office, or a person otherwise designated by those
24 regulations, may file a record that is effective. By signing a security agreement, the debtor

1 authorizes the filing of a financing statement and amendments covering (1) the collateral
2 described in the security agreement and (2) property that becomes collateral under Section 9-
3 315(a)(2), relating to identifiable proceeds.

4 (h) **[Change of name; transfer of collateral; new person becoming bound.]** ~~If a debtor~~
5 ~~so changes its the name, or an organization its identity or corporate structure,~~ that a filed
6 financing statement provides for the debtor becomes insufficient as the name of the debtor under
7 Section 9-503 so that the financing statement becomes seriously misleading, the financing
8 statement is not effective to perfect a security interest [or agricultural lien] in collateral acquired
9 by the debtor more than four months after the change, unless an appropriate filing is made before
10 the expiration of that time. If a security interest or agricultural lien continues in collateral
11 transferred by the debtor (Section 9-315(a)), a filed financing statement with respect to collateral
12 remains effective, even if the secured party knows of or consents to the transfer.

13 **SECTION 9-503. NAME OF DEBTOR.**

14 **(a) [Sufficiency of debtor's name.]** A financing statement sufficiently provides the
15 name of the debtor:

16 (1) if the debtor is a registered organization or the collateral is held in a trust that is
17 a registered organization, only if the financing statement provides the name that is stated to be the
18 registered organization's name on the publicly searchable record most recently filed with or
19 issued or enacted by the debtor's registered organization's jurisdiction of organization which
20 shows the debtor to have been organized purports to state, amend, or restate the registered
21 organization's name;

22 [(2) [subject to subsection (),] if the collateral is being administered by the
23 personal representative of a decedent, only if the financing statement provides, as the name of the
24 debtor, the name of the decedent and, in a separate part of the financing statement, indicates that

1 the collateral is being administered by a personal representative;]

2 [(3) if the collateral is held in a trust that is not a registered organization, only if
3 the financing statement:

4 (A) provides, as the name of the debtor:

5 (i) if the organic record of the trust specifies a name for the trust,
6 the name specified; or

7 (ii) if the organic record of the trust does not specify a name for the
8 trust, the name of the settlor or testator; and

9 (B) in a separate part of the financing statement:

10 (i) if the name is provided in accordance with subparagraph (A)(i),
11 indicates that the collateral is held in a trust; or

12 (ii) if the name is provided in accordance with subparagraph (A)(ii),
13 provides additional information sufficient to distinguish the trust from other trusts having one or
14 more of the same settlors or the same testator and indicates that the collateral is held in a trust,
15 unless the additional information so indicates;]

16 (4) if the debtor is an individual to whom any this [Tribe] [Nation] or any state has
17 issued a valid driver's license that has not expired, only if it provides the name of the individual
18 which is indicated on the driver's license;

19 (5) if the debtor is an individual to whom subsection (4) does not apply, only if it
20 provides the individual name of the debtor or the surname and first personal name of the debtor;

21 and

22 (6) in other cases,

23 (A) if the debtor has a name, only if it provides the organizational name of
24 the debtor; and

1 (B) if the debtor does not have a name, only if it provides the names of the
2 partners, members, associates, or other persons comprising the debtor, in a manner that each name
3 provided would be sufficient if the person named were the debtor.

4 (b) [Multiple driver’s licenses.] If the debtor has more than driver’s license of the kind
5 described in subsection (a)(4), the one that was issued most recently is the one to which
6 subsection (a)(4) refers.

7 **SECTION 9-504. CLAIM CONCERNING INACCURATE OR WRONGFULLY**
8 **FILED RECORD.**

9 (a) [Permission to file.] A person may file in the filing office an information statement
10 with respect to a record filed there if the person believes that the record is inaccurate or was
11 wrongfully filed.

12 (b) [Contents of statement under subsection (a).] An information statement under
13 subsection (a) must:

14 (1) identify the record to which it relates by the file number assigned to the initial
15 financing statement to which the record relates;

16 (2) indicate that it is an information statement; and

17 (3) provide the basis for the person’s belief that the record is inaccurate and
18 indicate the manner in which the person believes the record should be amended to cure any
19 inaccuracy or provide the basis for the person’s belief that the record was wrongfully filed.

20 (c) [Record not affected by information statement.] The filing of an information
21 statement does not affect the effectiveness of any filed record.

22 (d) [No duty to file information statement.] No person who believes that a record filed
23 in the filing office is inaccurate or was wrongfully filed has a duty to file an information statement
24 relating to that record.

PART 6

DEFAULT

SUBPART 1. DEFAULT AND ENFORCEMENT OF SECURITY INTERESTS

**SECTION 9-601. RIGHTS AFTER DEFAULT; JUDICIAL ENFORCEMENT;
CONSIGNOR OR BUYER OF ACCOUNTS, CHATTEL PAPER, PAYMENT
INTANGIBLES, OR PROMISSORY NOTES.**

(a) **[Rights of secured party after default.]** After default, a secured party has the rights provided in this part, the rights and duties related to possession or control of collateral (Section 9-204) and, except as otherwise provided in the provisions of this [act] dealing with waivers and variances of rights and duties (Section 9-602), those provided by agreement of the parties. A secured party:

(1) may reduce a claim to judgment, foreclose, or otherwise enforce the claim, security interest, or agricultural lien by any available judicial procedure; and

(2) if the collateral is documents, may proceed either as to the documents or as to the goods they cover.

(b) **[Rights cumulative; simultaneous exercise.]** The rights under subsections (a) are cumulative and may be exercised simultaneously.

(c) **[Rights of debtor and obligor.]** Except as otherwise provided in subsection (g) and under the provisions of this [act] dealing with an unknown debtor or a secondary obligor (Section 9-605), after default, a debtor and an obligor have the rights provided in this part and by agreement of the parties.

(d) **[Lien of levy after judgment.]** If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

1 (1) the date of perfection of the security interest or agricultural lien in the
2 collateral;

3 (2) the date of filing a financing statement covering the collateral; or

4 (3) any date specified in a statute under which the agricultural lien was created.

5 (e) **[Execution sale.]** A sale pursuant to an execution is a foreclosure of the security
6 interest or agricultural lien by judicial procedure within the meaning of this section. A secured
7 party may purchase at the sale and thereafter hold the collateral free of any other requirements of
8 this [act].

9 (f) **[Consignor or buyer of certain rights to payment.]** Except as otherwise provided in
10 the provisions of this [act] dealing with commercially reasonable collection and enforcement
11 (Section 9-606(b)), this part imposes no duties upon a secured party that is a consignor or is a
12 buyer of accounts, chattel paper, payment intangibles, or promissory notes.

13 **SECTION 9-602. WAIVER AND VARIANCE OF RIGHTS AND DUTIES.** Except
14 as otherwise provided in the provisions of this [act] dealing with waivers (Section 9-624), to the
15 extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor
16 or obligor may not waive or vary the rules stated in the following sections of this [act] dealing
17 with:

18 (1) rights and duties when collateral is in a secured party's possession (Section 9-204);

19 (2) requests for an accounting or requests regarding a list of collateral or statement of an
20 account (Section 9-207);

21 (3) commercially reasonable collection and enforcement (Section 9-607(b));

22 (4) application of proceeds, deficiency and surplus (Section 9-608(a) and 9-615(c)), to the
23 extent that they deal with application or payment of noncash proceeds of collection, enforcement,
24 or disposition;

1 (5) application of proceeds and the like (Sections 9-608 and 9-615(d)), to the extent that
2 they require accounting for or payment of surplus proceeds of collateral;

3 (6) a secured party's right to take possession after default and limitations thereon (Section
4 9-609), to the extent that it imposes upon the secured party taking possession of collateral without
5 judicial process the duty to do so without breach of the peace and with consent of the debtor;

6 (7) commercially reasonable disposition (Section 9-610(b)), notification before disposition
7 of the collateral (Section 9-611), and the contents and form of a notification before disposition of
8 the collateral (Section 9-613);

9 (8) calculation of a deficiency or surplus when the fairness of the amount of proceeds is
10 placed in issue (Section 9-615(e));

11 (9) explanation of the calculation of a surplus or deficiency (Section 9-616);

12 (10) acceptance of collateral in satisfaction of obligation (Section 9-620);

13 (11) right to redeem collateral (Section 9-623);

14 (12) waivers (Section 9-624);

15 (13) the secured party's liability for failure to comply with this [act] (Sections 9-625 and
16 9-626); and

17 (14) attorney's fees (Section 9-629).

18 **SECTION 9-603. AGREEMENT ON STANDARDS CONCERNING RIGHTS AND**
19 **DUTIES.** The parties may determine by agreement the standards measuring the fulfillment of the
20 rights of a debtor or obligor and the duties of a secured party under a rule stated in the provisions
21 of this [act] dealing with waiver or variance of rights and duties (Section 9-603), if the standards
22 are not manifestly unreasonable.

1 **SECTION 9-604. PROCEDURE IF SECURITY AGREEMENT COVERS REAL**
2 **PROPERTY OR FIXTURES.**

3 (a) **[Enforcement: personal and real property.]** If a security agreement covers both
4 personal and real property, a secured party may proceed:

5 (1) under this part as to the personal property without prejudicing any rights with
6 respect to the real property; or

7 (2) as to both the personal property and the real property in accordance with the
8 rights with respect to the real property, in which case the other provisions of this part do not
9 apply.

10 (b) **[Enforcement: fixtures.]** Subject to subsection (c), if a security agreement covers
11 goods that are or become fixtures, a secured party may proceed:

12 (1) under this part; or

13 (2) in accordance with the rights with respect to real property, in which case the
14 other provisions of this part do not apply.

15 (c) **[Removal of fixtures.]** Subject to the other provisions of this part, if a secured party
16 holding a security interest in fixtures has priority over all owners and encumbrancers of the real
17 property, the secured party, after default, may remove the collateral from the real property.

18 (d) **[Injury caused by removal.]** A secured party that removes collateral shall promptly
19 reimburse any encumbrancer or owner of the real property, other than the debtor, for the cost of
20 repair of any physical injury caused by the removal. The secured party need not reimburse the
21 encumbrancer or owner for any diminution in value of the real property caused by the absence of
22 the goods removed or by any necessity of replacing them. A person entitled to reimbursement
23 may refuse permission to remove until the secured party gives adequate assurance for the
24 performance of the obligation to reimburse.

1 **SECTION 9-605. UNKNOWN DEBTOR OR SECONDARY OBLIGOR.** A secured
2 party does not owe a duty based on its status as secured party:

3 (1) to a person that is a debtor or obligor, unless the secured party knows:

4 (A) that the person is a debtor or obligor;

5 (B) the identity of the person; and

6 (C) how to communicate with the person; or

7 (2) to a secured party or lienholder that has filed a financing statement against a person,
8 unless the secured party knows:

9 (A) that the person is a debtor; and

10 (B) the identity of the person.

11 **SECTION 9-606. [RESERVED.] TIME OF DEFAULT FOR AGRICULTURAL**
12 **LIEN.** For purposes of this part, a default occurs in connection with an agricultural lien at the
13 time the secured party becomes entitled to enforce the lien in accordance with the statute under
14 which it was created.

15 **SECTION 9-607. COLLECTION AND ENFORCEMENT BY SECURED PARTY.**

16 (a) [**Collection and enforcement generally.**] If so agreed, and in any event after default,
17 a secured party:

18 (1) may notify an account debtor or other person obligated on collateral to make
19 payment or otherwise render performance to or for the benefit of the secured party;

20 (2) may take any proceeds to which the secured party is entitled under Section 9-
21 311;

22 (3) may enforce the obligations of an account debtor or other person obligated on
23 collateral and exercise the rights of the debtor with respect to the obligation of the account debtor
24 or other person obligated on collateral to make payment or otherwise render performance to the

1 debtor, and with respect to any property that secures the obligations of the account debtor or other
2 person obligated on the collateral;

3 (b) **[Commercially reasonable collection and enforcement.]** A secured party shall
4 proceed in a commercially reasonable manner if the secured party:

5 (1) undertakes to collect from or enforce an obligation of an account debtor or
6 other person obligated on collateral; and

7 (2) is entitled to charge back uncollected collateral or otherwise to full or limited
8 recourse against the debtor or a secondary obligor.

9 (c) **[Expenses of collection and enforcement.]** A secured party may deduct from the
10 collections made pursuant to subsection (c) reasonable expenses of collection and enforcement,
11 including reasonable attorney's fees and legal expenses incurred by the secured party.

12 (d) **[Duties to secured party not affected.]** This section does not determine whether an
13 account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

14 **SECTION 9-608. APPLICATION OF PROCEEDS OF COLLECTION OR**
15 **ENFORCEMENT; LIABILITY FOR DEFICIENCY AND RIGHT TO SURPLUS.**

16 (a) **[Application of proceeds, surplus, and deficiency if obligation secured.]** If a
17 security interest or agricultural lien secures payment or performance of an obligation, the
18 following rules apply:

19 (1) A secured party shall apply or pay over for application the cash proceeds of
20 collection or enforcement under Section 9-607 in the following order to:

21 (A) the reasonable expenses of collection and enforcement and, to the
22 extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal
23 expenses incurred by the secured party;

24 (B) the satisfaction of obligations secured by the security interest or

1 agricultural lien under which the collection or enforcement is made; and

2 (C) the satisfaction of obligations secured by any subordinate security
3 interest in or other lien on the collateral subject to the security interest or agricultural lien under
4 which the collection or enforcement is made if the secured party receives a signed demand for
5 proceeds before distribution of the proceeds is completed.

6 (2) If requested by a secured party, a holder of a subordinate security interest or
7 other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the
8 holder complies, the secured party need not comply with the holder's demand under
9 paragraph (1)(C).

10 (3) A secured party need not apply or pay over for application noncash proceeds of
11 collection and enforcement under Section 9-607 unless the failure to do so would be
12 commercially unreasonable. A secured party that applies or pays over for application noncash
13 proceeds shall do so in a commercially reasonable manner.

14 (4) A secured party shall account to and pay a debtor for any surplus, and the
15 obligor is liable for any deficiency.

16 **SECTION 9-609. SECURED PARTY'S LIMITED RIGHT TO TAKE**

17 **POSSESSION AFTER DEFAULT.**

18 (a) [**Consent or judicial process.**] Unless otherwise agreed, a secured party has at the
19 time of or after default the powers described in subsection (b), but such powers may be exercised
20 only pursuant to judicial process or with the debtor's consent. Such consent is effective only if
21 expressed after default by means of a separate dated and signed personal statement in the debtor's
22 handwriting, describing the powers to be exercised by the secured party and expressly
23 acknowledging and waiving the debtor's right to require that such exercise be pursuant to judicial

1 process.

2 (b) **[Possession, rendering equipment unusable and assembly of collateral.]** Under the
3 circumstances of subsection (a) the secured party may:

4 (1) take possession of the collateral;

5 (2) without removal, render equipment unusable and dispose of collateral on a
6 debtor's premises under Section 9-610; and

7 (3) require the debtor to assemble the collateral and make it available to the
8 secured party at a place to be designated by the secured party which is reasonably convenient to
9 both parties.

10 (c) **[No breach of the peace.]** A secured party acting pursuant to the debtor's consent
11 under subsection (a) must proceed without breach of the peace.

12 **SECTION 9-610. DISPOSITION OF COLLATERAL AFTER DEFAULT.**

13 (a) **[Disposition after default.]** After default, a secured party may sell, lease, license, or
14 otherwise dispose of any or all of the collateral in its present condition or following any
15 commercially reasonable preparation or processing.

16 (b) **[Commercially reasonable disposition; tribal business day.]** Every aspect of a
17 disposition of collateral, including the method, manner, time, place, and other terms, must be
18 commercially reasonable. If commercially reasonable, a secured party may dispose of collateral
19 by public or private proceedings, by one or more contracts, as a unit or in parcels, and at any time
20 and place and on any terms. In order to protect the debtor's right to redeem collateral (Section 9-
21 623), a disposition of collateral shall take place only on a tribal business day.

22 (c) **[Purchase by secured party.]** A secured party may purchase collateral:

23 (1) at a public disposition; or

1 (2) at a private disposition only if the collateral is of a kind that is customarily sold
2 on a recognized market or the subject of widely distributed standard price quotations.

3 (d) [**Warranties on disposition.**] A contract for sale, lease, license, or other disposition
4 includes the warranties relating to title, possession, quiet enjoyment, and the like which by
5 operation of law accompany a voluntary disposition of property of the kind subject to the
6 contract.

7 (e) [**Disclaimer of warranties.**] A secured party may disclaim or modify warranties
8 under subsection (d):

9 (1) in a manner that would be effective to disclaim or modify the warranties in a
10 voluntary disposition of property of the kind subject to the contract of disposition; or

11 (2) by communicating to the purchaser a record evidencing the contract for
12 disposition and including an express disclaimer or modification of the warranties.

13 (f) [**Record sufficient to disclaim warranties.**] A record is sufficient to disclaim
14 warranties under subsection (e) if it indicates “There is no warranty relating to title, possession,
15 quiet enjoyment, or the like in this disposition” or uses words of similar import.

16 **SECTION 9-611. NOTIFICATION BEFORE DISPOSITION OF COLLATERAL.**

17 (a) [**“Notification date.”**] In this section, “notification date” means the earlier of the date
18 on which:

19 (1) a secured party sends to the debtor and any secondary obligor a signed
20 notification of disposition; or

21 (2) the debtor and any secondary obligor waive the right to notification.

22 (b) [**Notification of disposition required.**] Except as otherwise provided in subsection
23 (d), a secured party that disposes of collateral under Section 9-610 shall send to the persons

1 specified in subsection (c) a reasonable signed notification of disposition.

2 (c) **[Persons to be notified.]** To comply with subsection (b), the secured party shall send a
3 signed notification of disposition to:

4 (1) the debtor;

5 (2) any secondary obligor; and

6 (3) if the collateral is other than consumer goods:

7 (A) any other person from which the secured party has received, before the
8 notification date, a signed notification of a claim of an interest in the collateral;

9 (B) any other secured party or lienholder that, 14 calendar days before the
10 notification date, held a security interest in or other lien on the collateral perfected by the filing of
11 a financing statement that:

12 (i) identified the collateral;

13 (ii) was indexed under the debtor's name as of that date; and

14 (iii) was filed in the office in which to file a financing statement
15 against the debtor covering the collateral as of that date; and

16 (C) any other secured party that, 14 calendar days before the notification
17 date, held a security interest in the collateral perfected by compliance with other applicable law
18 (Section 9-311).

19 (d) **[Subsection (b) inapplicable: perishable collateral; recognized market.]** Subsection
20 (b) does not apply if the collateral is perishable or threatens to decline speedily in value or is of a
21 type customarily sold on a recognized market.

22 (e) **[Compliance with subsection (c)(3)(B).]** A secured party complies with the
23 requirement for notification prescribed by subsection (c)(3)(B) if:

24 (1) not later than 20 calendar days or earlier than 30 calendar days before the

1 notification date, the secured party requests, in a commercially reasonable manner, information
2 concerning financing statements indexed under the debtor's name in the office indicated in
3 subsection (c)(3)(B); and

4 (2) before the notification date, the secured party:

5 (A) did not receive a response to the request for information; or

6 (B) received a response to the request for information and sent a signed
7 notification of disposition to each secured party or other lienholder named in that response whose
8 financing statement covered the collateral.

9 **SECTION 9-612. TIMELINESS OF NOTIFICATION BEFORE DISPOSITION OF**
10 **COLLATERAL.**

11 (a) **[Reasonable time is question of fact.]** Except as otherwise provided in subsection
12 (b), whether a notification is sent within a reasonable time is a question of fact.

13 (b) **[Safe harbors for sufficiency of time.]** Unless a specific time for sending a
14 notification of disposition is established by the court, a notification of disposition is sent within a
15 reasonable time before the disposition when it is sent after default and:

16 (1) in a consumer transaction, 20 calendar days or more before the earliest time of
17 disposition set forth in the notification; or

18 (2) in all other transactions, 10 calendar days or more before the earliest time of
19 disposition set forth in the notification.

20 **SECTION 9-613. CONTENTS AND FORM OF NOTIFICATION BEFORE**
21 **DISPOSITION OF COLLATERAL.** The following rules apply to notification before
22 disposition of collateral:

23 (1) The contents of a notification of disposition are sufficient if the notification:

24 (A) describes the debtor and the secured party;

1 (B) describes the collateral that is the subject of the intended disposition;

2 (C) states the method of intended disposition;

3 (D) states that the debtor is entitled to an accounting of the unpaid indebtedness
4 and states the charge, if any, for an accounting;

5 (E) states the time and place of a public disposition or the time after which any
6 other disposition is to be made;

7 (F) describes any liability for a deficiency by the person receiving the notice; and

8 (G) states a telephone number or mailing address from which additional
9 information concerning redemption, disposition and the obligation secured is available.

10 (2) Whether the contents of a notification that lacks any of the information specified in
11 paragraph (1) are nevertheless sufficient is a question of fact.

12 (3) The contents of a notification providing substantially the information specified in
13 paragraph (1) are sufficient, even if the notification includes:

14 (A) information not specified by that paragraph; or

15 (B) minor errors that are not seriously misleading.

16 (4) A particular phrasing of the notification is not required.

17 **SECTION 9-614. [RESERVED.]**

18 **SECTION 9-615. APPLICATION OF PROCEEDS OF DISPOSITION;**

19 **LIABILITY FOR DEFICIENCY AND RIGHT TO SURPLUS.**

20 (a) [**Application of proceeds.**] A secured party shall apply or pay over for application the
21 cash proceeds of disposition under Section 9-610 in the following order to:

22 (1) the reasonable expenses of retaking, holding, preparing for disposition,
23 processing, and disposing, and, to the extent provided for by agreement and not prohibited by law,
24 reasonable attorney's fees and legal expenses incurred by the secured party;

1 (2) the satisfaction of obligations secured by the security interest or agricultural
2 lien under which the disposition is made;

3 (3) the satisfaction of obligations secured by any subordinate security interest in or
4 other subordinate lien on the collateral if:

5 (A) the secured party receives from the holder of the subordinate security
6 interest or other lien a signed demand for proceeds before distribution of the proceeds is
7 completed; and

8 (B) in a case in which a consignor has an interest in the collateral, the
9 subordinate security interest or other lien is senior to the interest of the consignor; and

10 (4) a secured party that is a consignor of the collateral if the secured party receives
11 from the consignor a signed demand for proceeds before distribution of the proceeds is
12 completed.

13 (b) **[Proof of subordinate interest.]** If requested by a secured party, a holder of a
14 subordinate security interest or other lien shall furnish reasonable proof of the interest or lien
15 within a reasonable time. Unless the holder does so, the secured party need not comply with the
16 holder's demand under subsection (a)(3).

17 (c) **[Application of noncash proceeds.]** A secured party need not apply or pay over for
18 application noncash proceeds of disposition under Section 9-610 unless the failure to do so would
19 be commercially unreasonable. A secured party that applies or pays over for application noncash
20 proceeds shall do so in a commercially reasonable manner.

21 (d) **[Surplus or deficiency if obligation secured.]** If the security interest under which a
22 disposition is made secures payment or performance of an obligation, after making the payments
23 and applications required by subsection (a) and permitted by subsection (c):

24 (1) unless subsection (a)(4) requires the secured party to apply or pay over cash

1 proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

2 (2) the obligor is liable for any deficiency.

3 (e) [**Calculation of surplus or deficiency in disposition to secured party or related**
4 **person.**] Following a disposition to the secured party or a person related thereto, the surplus or
5 deficiency is calculated based on the amount of proceeds that would have been realized in a
6 hypothetical disposition complying with this part to a person other than the secured party or a
7 person related thereto, if the debtor establishes that the amount of proceeds of the actual
8 disposition is significantly below the range of proceeds that would have been brought by the
9 hypothetical disposition. For purposes of this section, a secondary obligor is a person related to
10 the secured party.

11 (f) [**Cash proceeds received by junior secured party.**] A secured party that receives
12 cash proceeds of a disposition in good faith and without knowledge that the receipt violates the
13 rights of the holder of a security interest or other lien that is not subordinate to the security
14 interest or agricultural lien under which the disposition is made:

15 (1) takes the cash proceeds free of the security interest or other lien;

16 (2) is not obligated to apply the proceeds of the disposition to the satisfaction of
17 obligations secured by the security interest or other lien; and

18 (3) is not obligated to account to or pay the holder of the security interest or other
19 lien for any surplus.

20 **SECTION 9-616. EXPLANATION OF CALCULATION OF SURPLUS OR**
21 **DEFICIENCY.**

22 (a) [**Explanation of calculation.**] In a consumer transaction, a secured party must provide
23 the debtor or consumer obligor a reasonably detailed explanation in a record of the manner in
24 which any surplus or deficiency was calculated if the debtor or consumer obligor demands such

1 an explanation or, in any event, 10 tribal business days before commencing an action for a
2 deficiency.

3 (b) [**Charges for responses.**] Each debtor or consumer obligor is entitled without charge
4 to one response to a request under this section during any six-month period in which the secured
5 party did not send to the debtor or consumer obligor an explanation pursuant to subsection (b)(1).
6 The secured party may require payment of a charge not exceeding \$25 for each additional
7 response.

8 **SECTION 9-617. RIGHTS OF TRANSFEREE OF COLLATERAL.**

9 (a) [**Effects of disposition.**] A secured party's disposition of collateral after default:

- 10 (1) transfers to a transferee for value all of the debtor's rights in the collateral;
11 (2) discharges the security interest under which the disposition is made; and
12 (3) discharges any subordinate security interest or other subordinate lien [other
13 than liens created under [cite acts or statutes providing for liens, if any, that are not to be
14 discharged]].

15 (b) [**Rights of good-faith transferee.**] A transferee that acts in good faith takes free of the
16 rights and interests described in subsection (a), even if the secured party fails to comply with this
17 [act] or the requirements of any judicial proceeding.

18 (c) [**Rights of other transferee.**] If a transferee does not take free of the rights and
19 interests described in subsection (a), the transferee takes the collateral subject to:

- 20 (1) the debtor's rights in the collateral;
21 (2) the security interest or agricultural lien under which the disposition is made;
22 and
23 (3) any other security interest or other lien.

1 **SECTION 9-618. RIGHTS AND DUTIES OF CERTAIN SECONDARY**

2 **OBLIGORS.**

3 (a) **[Rights and duties of secondary obligor.]** A secondary obligor acquires the rights
4 and becomes obligated to perform the duties of the secured party after the secondary obligor:

5 (1) receives an assignment of a secured obligation from the secured party;

6 (2) receives a transfer of collateral from the secured party and agrees to accept the
7 rights and assume the duties of the secured party; or

8 (3) is subrogated to the rights of a secured party with respect to collateral.

9 (b) **[Effect of assignment, transfer, or subrogation.]** An assignment, transfer, or
10 subrogation described in subsection (a):

11 (1) is not a disposition of collateral under Section 9-610; and

12 (2) relieves the secured party of further duties under this [act].

13 **SECTION 9-619. TRANSFER OF RECORD OR LEGAL TITLE.**

14 (a) **[“Transfer statement.”]** In this section, “transfer statement” means a record
15 ~~authenticated~~ signed by a secured party stating:

16 (1) that the debtor has defaulted in connection with an obligation secured by
17 specified collateral;

18 (2) that the secured party has exercised its post-default remedies with respect to the
19 collateral;

20 (3) that, by reason of the exercise, a transferee has acquired the rights of the debtor
21 in the collateral; and

22 (4) the name and mailing address of the secured party, debtor, and transferee.

23 (b) **[Effect of transfer statement.]** A transfer statement entitles the transferee to the
24 transfer of record of all rights of the debtor in the collateral specified in the statement in any

1 official filing, recording, registration, or certificate-of-title system covering the collateral. If a
2 transfer statement is presented with the applicable fee and request form to the official or office
3 responsible for maintaining the system, the official or office shall:

- 4 (1) accept the transfer statement;
- 5 (2) promptly amend its records to reflect the transfer; and
- 6 (3) if applicable, issue a new appropriate certificate of title in the name of the
7 transferee.

8 (c) **[Transfer not a disposition; no relief of secured party's duties.]** A transfer of the
9 record or legal title to collateral to a secured party under subsection (b) or otherwise is not of
10 itself a disposition of collateral under this [act] and does not of itself relieve the secured party of
11 its duties under this [act].

12 **SECTION 9-620. ACCEPTANCE OF COLLATERAL IN FULL OR PARTIAL**
13 **SATISFACTION OF OBLIGATION; NOTIFICATION OF PROPOSAL; EFFECT OF**
14 **ACCEPTANCE; COMPULSORY DISPOSITION OF COLLATERAL.**

15 (a) **[Proposal to accept collateral in full or partial satisfaction of obligation.]** Except
16 as provided in subsection (e), a secured party may, after default, propose to retain the collateral in
17 full satisfaction of the obligation it secures or, in a transaction other than a consumer transaction,
18 in partial satisfaction of such obligation.

19 (b) **[Notification of proposal to accept collateral.]** The secured party shall send notice
20 of such proposal to:

- 21 (1) the debtor;
- 22 (2) any person from whom the secured party has received, before the debtor
23 consented to the acceptance, a signed notification of a claim of an interest in the collateral;
- 24 (3) any person that, 14 calendar days before the debtor consented to the

1 acceptance, held a security interest in or other lien on the collateral perfected by means of a
2 financing statement or compliance with other law (Section 9-311(a)) that makes such interest
3 reasonably discoverable; and

4 (4) if the proposal is for partial satisfaction of the obligation, any secondary
5 obligor.

6 (c) [**Conditions to acceptance.**] The proposal is not effective unless it is covered by
7 subsection (a) and:

8 (1) the debtor consents to the acceptance in a record signed after default;

9 (2) no other person specified in subsection (b), and no other person holding an
10 interest in the collateral subject to the secured party's interest, objects to the acceptance within 14
11 tribal business days after notification was sent;

12 (3) if the collateral is consumer goods, the collateral is not in the possession of the
13 debtor when the debtor consents to the acceptance

14 (d) [**Effect of acceptance.**] A secured party's acceptance of collateral pursuant to this
15 section

16 (1) discharges the obligation to the extent consented to by the debtor;

17 (2) transfers to the secured party all of the debtor's rights in the collateral;

18 (3) discharges the security interest or agricultural lien that is the subject of the
19 debtor's consent, and any security interest or other lien or interest that is subordinate thereto, even
20 if the secured party accepting the collateral fails to comply with this article.

21 (e) [**Mandatory disposition of consumer goods.**] A secured party that has taken
22 possession of collateral shall dispose of the collateral pursuant to Sections 9-610 through 9-616 if:

23 (1) 60 percent of the cash price has been paid in the case of a purchase-money

1 security interest in consumer goods; or

2 (2) 60 percent of the principal amount of the obligation secured has been paid in
3 the case of a non-purchase-money security interest in consumer goods.

4 Such disposition shall be made within 90 calendar days after taking possession, or within any
5 longer period to which the debtor and all secondary obligors have agreed in an agreement to that
6 effect entered into and signed after default.

7 **SECTION 9-621. [RESERVED.]**

8 **SECTION 9-622. [RESERVED.]**

9 **SECTION 9-623. RIGHT TO REDEEM COLLATERAL.**

10 (a) **[Persons that may redeem.]** A debtor, any secondary obligor, or any other secured
11 party or lienholder may redeem collateral.

12 (b) **[Requirements for redemption.]** To redeem collateral, a person shall tender:

13 (1) fulfillment of all obligations secured by the collateral; and

14 (2) the reasonable expenses and attorney's fees described in Section 9-615(a)(1),
15 dealing with application of proceeds of disposition.

16 (c) **[When redemption may occur.]** A redemption may occur at any time before a
17 secured party:

18 (1) has collected collateral under Section 9-607;

19 (2) has disposed of collateral or entered into a contract for its disposition under
20 Section 9-610; or

21 (3) has accepted collateral in full or partial satisfaction of the obligation it secures
22 under Section 9-620.

23 **SECTION 9-624. WAIVER.**

24 (a) **[Waiver of disposition notification.]** A debtor or secondary obligor may waive the

1 right to notification of disposition of collateral under Section 9-611 only by an agreement to that
2 effect entered into and signed after default.

3 (b) **[Waiver of mandatory disposition.]** A debtor may waive the right to require
4 disposition of collateral under Section 9-620(e), which deals with mandatory disposition of
5 consumer goods, only by an agreement to that effect entered into and signed after default.

6 (c) **[Waiver of redemption right.]** In a transaction other than a consumer transaction, a
7 debtor or secondary obligor may waive the right to redeem collateral under Section 9-623 only by
8 an agreement to that effect entered into and signed after default. In a consumer transaction, a
9 debtor or secondary obligor may not waive such right.

10 **SUBPART 2. NONCOMPLIANCE WITH [ACT]**

11 **SECTION 9-625. REMEDIES FOR SECURED PARTY'S FAILURE TO COMPLY** 12 **WITH [ACT].**

13 (a) **[Judicial orders concerning noncompliance.]** If it is established that a secured party
14 is not proceeding in accordance with this [act], a court may order or restrain collection,
15 enforcement, or disposition of collateral on appropriate terms and conditions.

16 (b) **[Damages for noncompliance.]** Subject to subsections (c), (d), and (f), a person is
17 liable for damages in the amount of any loss caused by a failure to comply with this [act]. Loss
18 caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or
19 increased costs of, alternative financing.

20 (c) **[Persons entitled to recover damages; statutory damages where collateral is**
21 **consumer goods.]** Except as otherwise provided in Section 9-628, which deals with the
22 nonliability and limitations on liability of a secured party and the liability of a secondary obligor:

23 (1) a person that, at the time of the failure, was a debtor, was an obligor, or held a
24 security interest in or other lien on the collateral may recover damages under subsection (b) for its

1 loss; and

2 (2) if the collateral is consumer goods, a person that was a debtor or a secondary
3 obligor at the time a secured party failed to comply with this part may recover for that failure in
4 any event an amount not less than the credit service charge plus 10 percent of the principal
5 amount of the obligation or the time-price differential plus 10 percent of the cash price.

6 (d) **[Recovery when deficiency eliminated or reduced.]** A debtor whose deficiency is
7 eliminated under Section 9-626, which deals with actions in which a deficiency or surplus is in
8 issue, may recover damages for the loss of any surplus.

9 (e) **[Statutory damages: noncompliance with specified provisions.]** In addition to any
10 damages recoverable under subsection (b), the debtor, consumer obligor, or person named as a
11 debtor in a filed record, as applicable, may recover \$500 in each case from a person that:

12 (1) fails to comply with the provisions of this [act] dealing with additional duties
13 of a secured party having control of an investment account (Section 9-205(b));

14 (2) fails to comply with the provisions of this [act] dealing with duties of a secured
15 party if an account debtor has been notified of assignment (Section 9-205(c);

16 (3) files a record that the person is not entitled to file under Section 9-502(g);

17 (4) fails to file, cause to be filed or send a termination statement as required by
18 Section 9-502(f);

19 (5) fails to comply with the provisions of this [act] dealing with explanations of
20 calculations of surplus or deficiency (Section 9-616(a)), and whose failure is part of a pattern, or
21 consistent with a practice, of noncompliance.

22 (f) **[Statutory damages: noncompliance with the provisions of this [act] dealing with a**
23 **request for an accounting.]** A debtor or consumer obligor may recover damages under
24 subsection (b) and, in addition, \$500 in each case from a person that, without reasonable cause,

1 fails to comply with a request for an accounting (Section 9-207). A recipient of a request under
2 Section 9-207 which never claimed an interest in the collateral or obligations that are the subject
3 of a request under that section has a reasonable excuse for failure to comply with the request
4 within the meaning of this subsection.

5 (g) **[Limitation of security interest: noncompliance with [act].]** If a secured party fails
6 to comply with a request regarding a list of collateral or a statement of account under Section 9-
7 207, the secured party may claim a security interest only as shown in the list or statement
8 included in the request as against a person that is reasonably misled by the failure.

9 **SECTION 9-626. ACTION IN WHICH DEFICIENCY OR SURPLUS IS IN ISSUE.**

10 ~~(a) [Applicable rules if amount of deficiency or surplus in issue.]~~ In an action arising
11 ~~from a transaction, other than a consumer transaction,~~ in which the amount of a deficiency or
12 surplus is in issue, the following rules apply:

13 (1) A secured party need not prove compliance with the provisions of this part
14 relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary
15 obligor places the secured party's compliance in issue.

16 (2) If the secured party's compliance is placed in issue, the secured party has the
17 burden of establishing that the collection, enforcement, disposition, or acceptance was conducted
18 in accordance with this part.

19 (3) With respect to a consumer transaction, if a secured party fails to prove that a
20 collection was conducted in accordance with Section 9-607(b) or that a disposition was conducted
21 in accordance with Section 9-610(b), [no obligor will be liable for a deficiency] [the proceeds of
22 the collection or disposition are conclusively deemed not to be less than the sum of the secured
23 obligation, expenses, and allowable attorney's fees].

24 (3)(4) Except as provided in subsection (3) or as otherwise provided in the

1 provisions of this [act] dealing with nonliability and limitations on liability of a secured party or
2 secondary obligor (Section 9-628), if a secured party fails to prove that the collection,
3 enforcement, disposition, or acceptance was conducted in accordance with the provisions of this
4 part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a
5 secondary obligor for a deficiency is subject to setoff for an amount as stated in the provision of
6 this [act] dealing with damages for noncompliance (Section 9-625(b)), which may be measured
7 by the amount recovered for conversion of collateral.

8 (4)(5) For purposes of subsection (4), the liability of the debtor or a secondary
9 obligor is calculated on the presumption that the proceeds of disposition equal the sum of the
10 secured obligation, expenses, and allowable attorney's fees, but the secured party may rebut the
11 presumption.

12 ~~(b) [Consumer transactions; no inference.] The limitation of the rules in subsection (a)~~
13 ~~to transactions other than consumer transactions is intended to leave to the court the determination~~
14 ~~of the proper rules in consumer transactions. The court may not infer from that limitation the nature~~
15 ~~of the proper rule in consumer transactions and may continue to apply established approaches.~~

16 **SECTION 9-627. DETERMINATION OF WHETHER CONDUCT WAS**
17 **COMMERCIALLY REASONABLE.**

18 (a) [Greater amount obtainable under other circumstances; no preclusion of
19 commercial reasonableness.] The fact that a greater amount could have been obtained by a
20 collection, enforcement, disposition, or acceptance at a different time or in a different method
21 from that selected by the secured party is not of itself sufficient to preclude the secured party from
22 establishing that the collection, enforcement, disposition, or acceptance was made in a
23 commercially reasonable manner.

24 (b) [Dispositions that are commercially reasonable.] A disposition of collateral is made

1 in a commercially reasonable manner if the disposition is made:

2 (1) in the usual manner on any recognized market;

3 (2) at the price current in any recognized market at the time of the disposition; or

4 (3) otherwise in conformity with reasonable commercial practices among dealers

5 in the type of property that was the subject of the disposition.

6 (c) **[Approval by court or on behalf of creditors.]** A collection, enforcement,
7 disposition, or acceptance is commercially reasonable if it has been approved:

8 (1) in a judicial proceeding;

9 (2) by a bona fide creditors' committee;

10 (3) by a representative of creditors; or

11 (4) by an assignee for the benefit of creditors.

12 Such approval need not be obtained, and lack of approval does not mean that the collection,
13 enforcement, disposition, or acceptance is not commercially reasonable.

14 **SECTION 9-628. NONLIABILITY AND LIMITATION ON LIABILITY OF**
15 **SECURED PARTY; LIABILITY OF SECONDARY OBLIGOR.**

16 (a) **[Limitation of liability of secured party for noncompliance with [act].]** Unless a
17 secured party knows that a person is a debtor or obligor, knows the identity of the person, and
18 knows how to communicate with the person:

19 (1) the secured party is not liable to the person, or to a secured party or lienholder
20 that has filed a financing statement against the person, for failure to comply with this [act]; and

21 (2) the secured party's failure to comply with this [act] does not affect the liability
22 of the person for a deficiency.

23 (b) **[Limitation of liability based on status as secured party.]** A secured party is not
24 liable because of its status as secured party:

1 (1) to a person that is a debtor or obligor, unless the secured party knows:

2 (A) that the person is a debtor or obligor;

3 (B) the identity of the person; and

4 (C) how to communicate with the person; or

5 (2) to a secured party or lienholder that has filed a financing statement against a
6 person, unless the secured party knows:

7 (A) that the person is a debtor; and

8 (B) the identity of the person.

9 (c) **[Limitation of liability if reasonable belief that transaction not a consumer**
10 **transaction or collateral is not consumer goods.]** A secured party is not liable to any person,
11 and a person's liability for a deficiency is not affected, because of any act or omission arising out
12 of the secured party's reasonable belief that a transaction is not a consumer transaction or that
13 goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

14 (1) a debtor's representation concerning the purpose for which collateral was to be
15 used, acquired, or held; or

16 (2) an obligor's representation concerning the purpose for which a secured
17 obligation was incurred.

18 (d) **[Limitation of liability for statutory damages.]** A secured party is not liable to any
19 person under Section 9-625(c)(2), which deals with statutory damages where the collateral is
20 consumer goods, for its failure to comply with Section 9-616, which deals with explanations of
21 calculations of surplus or deficiency.

22 (e) **[Limitation of multiple liability for statutory damages.]** A secured party is not
23 liable under Section 9-623(c)(2), which deals with statutory damages where the collateral is

1 consumer goods, more than once with respect to any one secured obligation.

2 **SECTION 9-629. ATTORNEY'S FEES IN CERTAIN TRANSACTIONS.** If the
3 secured party's compliance with this [act] is placed in issue in an action, the following rules
4 apply:

5 (1) If the secured party would have been entitled by agreement to attorney's fees as the
6 prevailing party, and the original principal amount of the indebtedness secured does not exceed
7 [\$25,000], a debtor or obligor prevailing on the issue is entitled to the costs of the action and
8 reasonable attorney's fees.

9 (2) In other cases, the court may award to a consumer debtor or consumer obligor
10 prevailing on that issue the costs of the action and reasonable attorney's fees.

11 (3) In determining the attorney's fees, the amount of the recovery on behalf of the
12 prevailing debtor or obligor is not a controlling factor.

13 **PART 7**

14 **MISCELLANEOUS PROVISIONS**

15 **SECTION 9-701. EFFECTIVE DATE.** This [act] takes effect on _____ .

16 **SECTION 9-702. SEVERABILITY.** If any provision of this [act] or its application to
17 any person or circumstance is held invalid, the invalidity does not affect other provisions or
18 applications of this [act] which can be given effect without the invalid provision or application,
19 and to this end the provisions of this [act] are severable.
