Re: MEETING IN CHICAGO, NOVEMBER 4-6,2005

Attached is a redlined redraft of the revised UAGA showing the changes made by the Reporter from the draft before the Conference at the summer Annual Meeting; based upon (i) the floor comments and suggestions, (ii) edits suggested, and (iii) input received since the Annual Meeting. While we will use the redlined redraft throughout the upcoming meeting, a clean copy of that draft also is attached.

PLEASE BRING THIS REDRAFT WITH YOU TO THE CHICAGO MEETING.

Reporter Sheldon Kurtz will be sending shortly a Memo giving some background and discussion of the issues raised by this redraft.

I propose to take up the definitions as they become pertinent to a substantive section. Substantive policy issues also should be discussed as they become pertinent to a particular Section. We will read each Section verbatim first and then discuss that Section in detail. **IF YOU HAVE DRAFTING SUGGESTIONS IT IS STRONGLY URGED THAT YOU WRITE THEM OUT IN ADVANCE AND BRING THEM FOR DISCUSSION AT THE MEETING.**

I also strongly urge Commissioners to compare the redraft to your current state law and attempt to obtain input from your local stakeholders.
