Re: Review of Draft of Certificate of Title Act for Vessels

We have made significant changes in our draft of UCOT for Vessels as a result of our March 4/5 meeting in Chicago. Our plan is for the Reporter, Stephen Sepinuck, to have a revised draft completed by March 11 that will be immediately forwarded to our mailing list. Any grammatical/non-substantive suggestions should be emailed directly to Stephen. Any policy/substantive suggestions should be emailed to me and to Stephen by March 18th. Stephen and I will then discuss the suggestions and determine whether the issues can be resolved by a direct telephone call to the person raising the issue or whether the matter should be placed on an agenda for a conference telephone call. We have currently reserved March 22 at 2:00 Eastern Standard Time for a conference call should one be necessary. You will be sent relevant telephone codes for the call, if needed.

Also, there will be an explanatory webinar geared primarily toward our revised title branding language supported through the good offices of Cindy Squires on May 10. More information on the specifics of this webinar will be forthcoming. Thank you all for your continued participation and support of our drafting project as we “bring the ship into harbor.”

Sincerely,

E.M. Miller, Jr.
