Re: A message from John Sebert regarding UDITPA

The Uniform Law Commission UDITPA Study Committee has reached a tentative decision on the recommendation it will make to the ULC Scope and Program Committee concerning this matter. That recommendation is set forth in the attached draft report to the Scope and Program Committee. Also attached are documents that were before the Study Committee when it made the decision reflected in the draft report.

The Study Committee solicits comments concerning the tentative recommendation contained in the draft report. Any comments should be submitted no later than Monday, June 22, either to john.sebert@nccusl.org or to lucy.grelle@nccusl.org.

The Study Committee chair, Dale Higer, decided that it would be more efficient to solicit written comment on the draft report in this manner rather than to attempt to hold a conference call that would probably have a large and unmanageable number of participants.

Sincerely,

John Sebert
Executive Director
