1 | benefit from its concepts and clarity.

2 |
3 | ~~———The Act will replace the Uniform Supervision of Trustees for Charitable Purposes Act~~
4 | ~~(1954). That Act has been adopted in a small number of states and is out of date.~~

5 |
6 | The term “Attorney General” is used to mean the charity regulator in a state. In many
7 | states, the Office of the Attorney General has a division called the Charity Section or something
8 | similar. A lawyer in that section typically has the title Assistant Attorney General, but the person
9 | in that role may have a different title.

10 |
11 | It is useful to remember that the Attorney General has an educational role and a
12 | facilitative role as well as a regulative role. ~~The Attorneys General~~ now generally wants to
13 | educate charities and work with charities to help them become more efficient and more effective.
14 | The Attorney General will be better able to perform these roles with adequate information
15 | about the charities operating in the state.

16 |
17 | ***Which Charities Does the Statute Cover?*** The Attorney General has ~~oversight~~
18 | authority to protect over all charitable assets in a state and oversight over all charities registered
19 | in a state, so the Act logically applies broadly to charities. Certain sections of the Act
20 | (registration, reporting, and notice) apply more narrowly. The Act does not cover governmental
21 | entities and businesses, except to the extent that those non-charities hold charitable assets.

22 |
23 | ***General Authority of the Attorney General.*** The Act states the broad duty of the
24 | Attorney General to represent the public interest in the protection of charitable assets. The Act
25 | states that the Attorney General may enforce the use of charitable assets by a charity for the
26 | purposes for which the assets were given to the charity, may take action to prevent or correct a
27 | breach of a fiduciary duty in connection with the administration of a charity or charitable assets,
28 | and may intervene in an action brought to correct a misapplication of charitable funds, a
29 | departure from the purpose of the charity, or a breach of a fiduciary duty owed the charity.

30 |
31 | ***Registration.*** A charity covered by the registration section must register with the
32 | Attorney General within a specified period of time after the charity receives property. The
33 | charity must provide basic information about the charity (name, address, statutory agent, federal
34 | identification number, and contact person~~purpose~~) and a copy of the charity’s organizing
35 | document (articles of incorporation or trust instrument). The Act includes a one-page statutory
36 | form of registration.

37 |
38 | ***Annual Reports.*** Charities with assets above a minimum amount will file an annual
39 | report with the Attorney General. The annual report will provide basic information and will
40 | require that the charity attach a copy of any report the charity files with the Internal Revenue
41 | Service (e.g., a Form 990 or a Form 990-EZ).

42 |
43 | ***Notice of “Life Events.”*** One of the concerns the Drafting Committee sought to address
44 | was the problem that occurs when an Attorney General learns about the loss of charitable
45 | assets after a charity has disposed of the assets. The Act requires a charity to file a notice of the
46 | following, a specified number of days [20, 30 or 60 days] before the event occurs. Events that

1 require notice include the following:
2

- 3 | • Any amendment to the charity’s organizational document, if the amendment changes the
4 | purposes or results in a material change in the structure, governance, or activities of the
5 | charity.
6 |
- 7 | • The intent to dissolve or terminate, with a copy of the charity’s plan of dissolution. The
8 | charity cannot transfer assets until the earlier of receiving written consent from the
9 | Attorney General, written notice that the Attorney General will take no action, or the
10 | passage of time [20 days]. After dissolution, the charity must file with the Attorney
11 | General a description of the assets transferred and a list of the names and addresses of
12 | those who received the assets, other than creditors. [this is not currently in the act –
13 | should it be?]
14 |
- 15 | • The intent to sell, lease, exchange, or otherwise dispose of all or substantially all of its
16 | property, unless the transaction is in the regular course of the charity’s activities or the
17 | Attorney General waives this requirement.
18 |
- 19 | • The intent to merge with any other entity. The notice must include a copy of the
20 | proposed plan of merger.
21 |
- 22 | • A decision to file for bankruptcy (no later than the date of the filing).
23 |
- 24 | • Receipt of a notice of revocation or modification of a federal, state, or local tax
25 | exemption (within a specified period of time after receipt).
26 |

27 In addition, the personal representative of an estate or the trustee of a trust that involves the
28 | distribution of property to a charity must send the Attorney General a copy of the will or a
29 | description of the charitable interests in the trust.
30 |

31 Any person who asserts a claim in a proceeding involving a charity or charitable assets
32 must give written notice to the attorney general if the value of the charitable assets involved is at
33 least \$25,000. The notice must include a copy of the pleading. The proceedings that require
34 notice are the following:
35 |

- 36 | • An action against or on behalf of a charity seeking to enforce the use of charitable assets
37 | or the breach of a duty owed to the charity;
38 |
- 39 | • A proceeding seeking instructions relating to the administration, use, or distribution of
40 | the charitable assets;
41 |
- 42 | • A proceeding to construe a document under which charitable assets are held or to modify
43 | the terms under which charitable assets are held;
44 |
- 45 | • A proceeding involving a trust or probate estate in which matters affecting charitable
46 | assets may be decided; or

- A proceeding to remove or replace a trustee of a charitable trust.

Cooperation with Other Officials. The Act permits the Attorney General to cooperate with any official of the state, of another state, or of the United States. The Attorney General can provide information or documents concerning an investigation or proceeding to the other official in connection with the other official’s role in the oversight of charities and charitable assets. The Attorney General can also acquire information or documents from the other official.

1 **PROTECTION OF CHARITABLE ASSETS ACT**

2 **SECTION 1. SHORT TITLE.** This [act] may be cited as the [Uniform][Model]

3 Protection of Charitable Assets Act.

4 **SECTION 2. DEFINITIONS.** In this [act]:

5 (1) “Charitable asset” means property that is [irrevocably dedicated][legally committed
6 or held] for a charitable purpose.

7
8
9 (2) “Charitable purpose” means the relief of poverty, the advancement of education or
10 religion, the promotion of health, the promotion of a governmental purpose, or any other purpose
11 the achievement of which is beneficial to the community.

12 (3) “Person” means an individual, corporation, business trust, statutory trust, estate, trust,
13 partnership, limited liability company, association, joint venture, public corporation, government
14 or governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

15 (4) “Record” means information that is inscribed on a tangible medium or that is stored
16 in an electronic or other medium and is retrievable in perceivable form.

17 (5) “Responsible individual” means an individual who, with respect to a person holding
18 charitable assets:

19 (A) is generally familiar with the affairs of the person; and

20 (B) participates, directly or indirectly, in the control or management of the person
21 or, in the case of a person being formed, will participate in the control or management of the
22 person.; and

23 ~~—————(C) is not participating in the control or management of the person as a~~
24 ~~nominee of another person solely for the purpose of satisfying the requirement of this [act] that~~
25 ~~the person designate a responsible individual.~~

1 (6) “State” means [get standard definition].

2
3 **Comment**

4
5 **Subsection (1). Charitable Asset.** The term property includes all interest in real or
6 tangible or intangible personal property, including remainder interests and conservation or
7 preservation easements or restrictions. ~~Property that a donor has pledged to a charity is not yet~~
8 ~~“irrevocably dedicated to a charitable purpose” unless state law considers the pledge binding.~~
9

10 **Subsection (2). Charitable purposes.** The definition of charitable purposes follows that
11 of UTC § 405, Restatement (Third) of Trusts § 28 (2003), and UPMIFA § 2(1) (2006). This
12 long-familiar standard derives from the English Statute of Charitable Uses, enacted in 1601.
13

14 Some 17 states have created statutory definitions of charitable purpose for various
15 reasons. *See, e.g.*, 10 Pa. Cons. Stat. § 162.3 (2005) (defining charitable purpose within the
16 Solicitation of Funds for Charitable Purposes Act to include “humane,” “patriotic,” “social
17 welfare and advocacy,” and “civic” purposes). The definition in subsection (4) applies for
18 purposes of this Act and does not affect other definitions of charitable purpose.
19

20 **Subsection (3). Person.** The Act uses as the definition of person the definition approved
21 by the Uniform Law Commission. The definition includes individuals as well as entities.
22 Charities are typically organized as nonprofit corporations or charitable trusts and both are
23 included within this definition.
24

25 **Subsection (4). Record.** Record is defined, using the standard Uniform Law
26 Commission standard definition, in order to use one word instead of several when the act deals
27 ~~with papers, reports, instruments, and records, and to make clear that~~with traditional forms of
28 paper, as well as information in electronic form ~~is included.~~
29

30 **Subsection (5). Responsible Individual.** This term describes someone the Attorney
31 General could contact for information about the charity. Often the Attorney General will be
32 able to resolve a question about a charity’s use of assets informally, and having someone
33 identified as a contact person for the charity will make that informal discussion more efficient
34 and effective. A responsible individual should be someone who is generally familiar with,
35 among other things, how the charity is managed but the person need not be a director or trustee.
36 The definition is based on one in the Uniform Law Enforcement Access to Entity Information
37 Act (2009).
38

39 **SECTION 3. AUTHORITY OF [ATTORNEY GENERAL] TO PROTECT**
40 **CHARITABLE ASSETS.**

1 (a) The [~~A~~ttorney G~~g~~eneral] represents the [~~public interest~~] [interest of the public] in
2 the ~~oversight and~~ protection of ~~charities and~~ charitable assets.

3 (b) The [~~A~~ttorney G~~g~~eneral] may:

4 (1) enforce the application and prevent the misapplication or diversion of a
5 charitable assets ~~for~~ in accordance with:

6 (A) the ~~charitable~~ purposes or terms, if any, for which the asset ~~was s~~ are
7 ~~held, given or committed; and~~

8 ~~(B); and the charitable purposes of a person holding charitable assets; and~~

9 (2) act to prevent or remedy a breach of fiduciary or other legal duty:

10 (A) ~~-in the governance, management, or administration of a person~~
11 ~~holding~~ a charitable asset; or

12 ~~_____ (B) in the governance of a person organized primarily for charitable~~
13 ~~purposes;~~

14 ~~_____ (3) seek declaratory, injunctive, or other equitable relief to determine that an~~
15 ~~asset is a charitable asset;~~

16 (4)

17 :

18 ~~_____ (c) The [attorney general] may~~ commence or intervene in an action to:

19 (A) ~~prevent~~ enjoin, remedy, or obtain damages for a violation of this [act];

20 or

21 ~~;(B) or~~ seek other remedy to enforce ~~a provision of~~ this [act]; ~~or~~

22 (c) The [Attorney General] may conduct an investigation, including exercising
23 administrative subpoena power, if the [Attorney General] has reason to believe the investigation

1 is necessary to determine whether action may be advisable under this [act].

2 ~~to prevent or remedy:~~

3 ~~—————(1) a misapplication or diversion of charitable assets from use for the charitable~~
4 ~~purposes of a person holding the charitable assets;~~

5 ~~—————(2) a departure from the charitable purpose for which charitable assets were~~
6 ~~given; or~~—————

7 ~~—————(3) a breach of fiduciary or other legal duty in the governance of a person holding~~
8 ~~charitable assets.~~

9 (d) This [act] does not limit ~~or restrict~~ the powers and duties of the [Aattorney Ggeneral]
10 under law of this state other than this [act].

11 **Comment**

12 One of the major goals of the Act is to articulate the Aattorney Ggeneral’s ~~oversight~~
13 protection authority ~~to protect over~~ charitable assets. In most states, whether or not that function
14 is embodied in a statute, the authority is inherent in the common law powers of the [Aattorney
15 Ggeneral]. In at least a few states, however, it has been held that no such common law authority
16 exists, and in some other states, whether it exists and what it consists of is not clear. The drafting
17 committee intends that the Act clarify and articulate [Aattorney Ggeneral] authority to protect
18 charitable assets. At the same time, that authority is not unlimited. The [Aattorney Ggeneral]’s
19 legitimate role is to correct abuses, but not to take over governance or to substitute the
20 [Aattorney Ggeneral]’s judgment for the legitimate judgment of the charity’s board or trustees;
21 to protect the interests of the indefinite beneficiaries of charity, while recognizing that charitable
22 assets are private, not quasi-public property; and to protect the donor’s expressed intent and hold
23 the charity to its expressed purposes.

24
25 Section (b)(1)(B). Although a charity’s purposes need not be static, the terms of the
26 organizing documents in effect at the time the charity receives assets constrain the use of those
27 assets.

28
29 Legislative Note: States vary with respect to process and procedure relating to Attorney
30 General investigative authority. States that detail Attorney General subpoena power in code
31 sections dealing broadly with Attorney General power will have no need for this section. States
32 that provide in their codes for Attorney General civil subpoena power specifically in connection
33 with another Attorney General function (such as consumer protection) can use that language in
34 this section with any necessary adaptations. In many states the Attorney General has civil
35 jurisdiction but not criminal jurisdiction. For example, in Connecticut the Attorney General is

1 the civil charitable regulator but if the Attorney General wishes to initiate a criminal proceeding
2 the Attorney General must do so through the chief state’s attorney. In other states (e.g.
3 Maryland) the county state’s attorney has general criminal jurisdiction. The committee also
4 needs to determine whether the addition of a new crime in this subsection is appropriate. In
5 some states crimes can only be created in the criminal code.
6
7

8 Subsection (d) reflects the committee’s desire to articulate that the statute does not
9 replace any common law or other statutory powers the [attorney general] may have.

10 [add discussion of relator statutes and consider adding a legislative note for states with relator
11 statutes]
12
13

14 The Act does not, either expressly or by implication, affect existing law concerning the
15 rights of persons other than the [Attorney General] to standing in connection with a matter
16 involving a charity.

17
18 ~~Although a charity’s purposes need not be static, the terms of the organizing documents~~
19 ~~in effect at the time the charity receives assets constrain the use of those assets.~~
20

21 ~~**SECTION 4. INVESTIGATION BY [ATTORNEY GENERAL].** The [attorney~~
22 ~~general] may conduct an investigation, including exercising administrative subpoena power, if~~
23 ~~the [attorney general] has reasonable belief that:~~

- 24 ~~(1) an action may be advisable within the authority of the [attorney general] pursuant to~~
25 ~~Section 3;~~
26 ~~—— (2) a law or legal duty concerning the use or management of charitable assets has been~~
27 ~~violated; or~~
28 ~~—— (3) this [act] has been violated.~~

29 ~~**Legislative Note:** If a state does not provide through other law for the process the attorney~~
30 ~~general uses for civil investigative demands, the state should consider making the text of this~~
31 ~~section subsection (a) and enacting the following provisions as part of this section. A separate~~
32 ~~possible Section concerning enforcement is also set out for consideration of the states:~~

33 ~~—— [(b) The [attorney general] may sign and cause to be served on a person that is believed~~
34 ~~to have information, documentary material, or physical evidence relevant to the subject matter of~~
35 ~~an investigation pursuant to subsection (a) a civil investigative demand requiring the person to~~
36 ~~appear and testify, or to produce documentary material or physical evidence for examination, at~~
37 ~~a reasonable time and place stated in the demand. Service of a civil investigative demand, notice,~~

1 ~~or subpoena may be made by any person authorized by law to serve process or by any duly~~
2 ~~authorized employee of the [attorney general].~~

3 ~~—— (c) A civil investigative demand must:~~

4 ~~—— (1) state the general subject matter of the investigation and grounds for the~~
5 ~~alleged violation being investigated;~~

6 ~~(2) describe the class or classes of information, documentary material, or~~
7 ~~physical evidence to be produced, with reasonable specificity so as fairly to indicate the material~~
8 ~~demand;~~

9 ~~(3) prescribe a return date by which the information, documentary material, or~~
10 ~~physical evidence is to be produced; and~~

11 ~~(4) identify the member of the [attorney general's] staff to whom the information,~~
12 ~~documentary material, or physical evidence requested is to be produced.~~

13 ~~(d) A civil investigative demand may not:~~

14 ~~(1) contain a requirement that would be unreasonable or improper if contained~~
15 ~~in a subpoena duces tecum issued by a court of this state; or~~

16 ~~(2) require the disclosure of information that would be privileged or, for any~~
17 ~~other reason, could not be required by a subpoena duces tecum issued by a court of this state.~~

18 ~~(e) Service of a civil investigative demand, notice, or subpoena may be made by [state~~
19 ~~rules]:~~

20 ~~(1) delivering a duly executed copy thereof to the person to be served, or to an~~
21 ~~officer or agent authorized by appointment or by law to receive service of process on behalf of~~
22 ~~the person;~~

23 ~~(2) delivering a duly executed copy thereof to the principal place of business or~~
24 ~~the residence in this state of the person to be served;~~

25 ~~(3) mailing a duly executed copy thereof by registered or certified mail,~~
26 ~~addressed to the person to be served, to the principal place of business or the residence in this~~
27 ~~state of the person or, if the person has no place of business or residence in this state, to the~~
28 ~~principal office or place of business or the residence of the person; or~~

29 ~~(4) mailing a duly executed copy thereof by registered or certified mail,~~
30 ~~requesting a return receipt signed by the addressee only, to the last known place of business,~~
31 ~~residence, or abode within or without this state of the person to be served.~~

32 ~~(f) An individual may not refuse to answer a material question, produce documentary~~
33 ~~material, or testify in an investigation pursuant to this section on the ground that the testimony~~
34 ~~or documentary material may tend to incriminate the individual or subject the individual to a~~

1 ~~penalty. If the individual asserts a right against self-incrimination, the individual may not be~~
2 ~~subjected to criminal prosecution or an action for a criminal penalty or forfeiture because of a~~
3 ~~transaction, matter, or thing about which the individual may testify or produce documentary~~
4 ~~material. An individual may assert the right against self-incrimination on the record or make the~~
5 ~~assertion known to the [attorney general].~~

6 ~~(g) Information, documentary material, or physical evidence demanded pursuant to a~~
7 ~~civil investigative demand must be produced during normal business hours at the principal office~~
8 ~~or place of business of the person served, or at such other time and place as may be agreed by~~
9 ~~the person served and the [attorney general].~~

10 ~~(h) No information, documentary material, or physical evidence requested pursuant to a~~
11 ~~civil investigative demand shall, unless otherwise ordered by a court for good cause shown, be~~
12 ~~produced for or the contents thereof be disclosed to, any person other than the [attorney~~
13 ~~general] without the consent of the person that produced the information, documentary material,~~
14 ~~or physical evidence; provided, that under such reasonable terms and conditions as the [attorney~~
15 ~~general] shall prescribe, such information, documentary material or physical evidence shall be~~
16 ~~made available for inspection and copying by the person who produced such information,~~
17 ~~documentary material or physical evidence, or any duly authorized representative of the person.~~

18 ~~(i) Material containing trade secrets must not be presented before any court except with the~~
19 ~~approval of the court in which the action is pending after adequate notice to the person~~
20 ~~furnishing the material or, in the case of disclosure to agencies of other states, the approval of~~
21 ~~the [court].~~

22 ~~(j) At any time before the return date specified in a civil investigative demand or not~~
23 ~~later than 20 days after the demand has been served, whichever period is shorter, the person~~
24 ~~served with the demand may petition the [court] to extend the return date for, or to modify or set~~
25 ~~aside the demand, stating good cause.~~

26 ~~(k) A person on which a civil investigative demand is served shall comply with its terms~~
27 ~~unless otherwise provided by order of a court. A person that, with intent to avoid, evade, or in~~
28 ~~whole or in part prevent compliance with a civil investigative demand, removes from a place,~~
29 ~~conceals, withholds, destroys, mutilates, alters, or falsifies information, documentary material,~~
30 ~~or physical evidence in the possession, custody, or control of the person, which is the subject of~~
31 ~~the demand, is guilty of [XX]. The [attorney general] shall have original jurisdiction to enforce~~
32 ~~the provisions of this subsection.~~

33 ~~(l) If a person fails to comply with a civil investigative demand duly served on the person~~
34 ~~or the person refuses to surrender material when whenever satisfactory copying or reproduction~~
35 ~~of the material cannot be done, the [attorney general] may file, in the [trial court of general~~
36 ~~jurisdiction] in a county or judicial district in which the person resides, is found, or transacts~~
37 ~~business, and serve upon the person, a petition for an order of the court for enforcement of the~~
38 ~~demand. If the person transacts business in more than one county or judicial district the petition~~
39 ~~must be filed in the county or judicial district in which the person maintains the person's~~
40 ~~principal place of business, or in such other county or judicial district as may be agreed by the~~
41 ~~parties. When the petition is filed, the court shall have jurisdiction to hear and determine the~~

1 ~~matter presented, and to enter an order required to enforce the provisions of this [act]. A final~~
2 ~~order may be appealed to the [state supreme court]. Disobedience of a final order entered~~
3 ~~under this section may be punished as a contempt of court.~~

4
5 ~~SECTION ____.~~ **ORDER TO STOP; ASSURANCE OF VOLUNTARY**

6 **COMPLIANCE.**

7 ~~(a) When it appears to the [attorney general] that a person has engaged in, is engaging~~
8 ~~in, or is about to engage in a misapplication of charitable assets, a breach of fiduciary duty, or a~~
9 ~~violation of this [act] or law of this state other than this [act] concerning the use or management~~
10 ~~of charitable assets, the [attorney general] may issue an order to stop, prohibiting the person~~
11 ~~and any other person that participated, is participating or is about to participate in the act, from~~
12 ~~engaging or continuing to engage in the act. The order must not be issued until the [attorney~~
13 ~~general] has given notice to each person that will be subject to the order of the nature of the~~
14 ~~alleged violation and the act that is the basis of the alleged violation and the time for the person~~
15 ~~to file an answer has expired. A person that will be subject to the order may file with the~~
16 ~~[attorney general] an answer to the notice not later than two business days after delivery of the~~
17 ~~notice.~~

18
19 ~~(b) An order issued by the [attorney general] under subsection (a) must be served on~~
20 ~~each person that is subject to the order in the manner provided [in Section 4 for service of a civil~~
21 ~~investigative demand]. The order expires 10 days after being served.~~

22
23 ~~(c) A person that has been duly served with an order issued under this section and~~
24 ~~willfully and knowingly violates a provision of the order while the order remains in effect, either~~
25 ~~as originally issued or as modified, is guilty of [XXX]. The [attorney general] may commence a~~
26 ~~criminal action for the violation.~~

27
28 ~~(d) The [attorney general] may accept an assurance of voluntary compliance with~~
29 ~~respect to an act that would be subject to an order to stop pursuant to subsection (a). The~~
30 ~~assurance of voluntary compliance must be in writing and must be filed with and approved by~~
31 ~~the [court] of the county in which the alleged violator resides or has its principal place of~~
32 ~~business. An assurance of voluntary compliance must not be considered for any purpose as an~~
33 ~~admission of violation. A person that violates the terms of an assurance of voluntary compliance~~
34 ~~shall pay to the state a civil penalty of not more than \$[] per violation. A [court] approving an~~
35 ~~assurance of voluntary compliance retains jurisdiction to award a civil penalty under this~~
36 ~~subsection, and the attorney general acting in the name of the state may petition for recovery of~~
37 ~~the civil penalty.]~~

38 **Comment**

39 ~~—The Act articulates the attorney general’s authority to undertake an investigation as a~~
40 ~~means of fulfilling the authority articulated in Section 3. The attorney general acts in the public~~
41 ~~interest to protect charitable assets. The Drafting Committee discussed the threshold for~~
42 ~~initiating an investigation. Some states (e.g., Massachusetts) require court approval before~~

1 ~~beginning a civil investigation. Others do not, and specify no particular threshold standard to~~
2 ~~justify commencing a civil investigation. The committee concluded that a less-demanding~~
3 ~~threshold standard is appropriate. Information often comes to the attorney general in a form~~
4 ~~much less formal than a sworn complaint; for example, information about abuses and misdeeds~~
5 ~~is often brought to light in newspaper stories. The committee was sensitive to the burden that an~~
6 ~~investigation can impose on a charity, but concluded that a reasonable amount of discretion and~~
7 ~~flexibility in the attorney general is more often likely to diminish the burden on charities than to~~
8 ~~justify inappropriate intrusion.~~

9
10 ~~States vary with respect to process and procedure relating to attorney general~~
11 ~~investigative authority. States that detail attorney general subpoena power in code sections~~
12 ~~dealing broadly with attorney general power will have no need for this section. States that~~
13 ~~provide in their codes for attorney general civil subpoena power specifically in connection with~~
14 ~~another attorney general function (such as consumer protection) can use that language in this~~
15 ~~section. The language used in this section is modeled on Missouri code sections concerning~~
16 ~~consumer protection. The language in subsection (b) that refers to Section 4 will have to be~~
17 ~~modified after a decision on how best to proceed with the language about civil investigative~~
18 ~~demands.~~

19
20 ~~Language specifying the attorney general's authority to issue an order to stop or to seek~~
21 ~~an assurance of voluntary compliance is provided in the Legislative Note following Section 4.~~
22 ~~States that provide for similar instruments to exercise attorney general authority elsewhere in the~~
23 ~~state code, for instance, in the consumer protection statutes, will want to coordinate the language~~
24 ~~here with that language. Some states may want to enact this material as a separate section.~~

25
26 ~~Subsection (c) of new Section in Legislative Note. In many states the attorney general~~
27 ~~has civil jurisdiction but not criminal jurisdiction. For example, in Connecticut the attorney~~
28 ~~general is the civil charitable regulator but if the attorney general wishes to initiate a criminal~~
29 ~~proceeding the attorney general must do so through the chief state's attorney. In other states~~
30 ~~(e.g. Maryland) the county state's attorney has general criminal jurisdiction. The committee also~~
31 ~~needs to determine whether the addition of a new crime in this subsection is appropriate. In~~
32 ~~some states crimes can only be created in the criminal code.~~

21 **Comment**

22 The main thrust of the 1954 Uniform Supervision of Trustees for Charitable Purposes Act
23 was to provide a mechanism to facilitate the supervisory role of the Attorney General by
24 providing for registration that would alert the Attorney General to the existence and
25 administration of charitable trusts. This Act continues to incorporate that function. The Drafting

1 Committee has opted to keep the registration obligation simple, so as to avoid overburdening
2 | either charitable organizations or Aattorneys General. It is expected that the registration
3 function will move to an electronic system, thereby reducing some of the burden. Electronic
4 registration will be sufficient to meet the requirements of Section 5, and the Drafting Committee
5 hopes that states will be able to accommodate electronic registration. While a large organization
6 that operates in many states will likely have an obligation to register in multiple states, the
7 committee hopes that the Act’s move toward uniformity will minimize the burden of multiple
8 registrations. The Act includes a statutory form of registration so that states can ease the burden
9 on charities by adopting a requirement that is consistent across states.

10
11 Registration is important for several reasons. First, the list of registered charities can
12 | serve as a quick resource of information for the Aattorney General and for the public. If the
13 Aattorney General receives a question from a member of the public, the Aattorney General
14 may be able to answer the question simply by reviewing the information provided in the
15 | registration. No further inquiry may be necessary, and both the Aattorney General and the
16 charity will save time and expense.

17
18 Also, a potential donor may consult the list of registered charities to determine whether a
19 | charity requesting a donation is current in its filings with the Aattorney General. If the charity
20 is not registered, the donor will want to investigate further before making a donation. If the
21 charity has consistently made the required filings, that information suggests a well-managed
22 charity, with fiduciaries who comply with their duties.

23
24 Finally, the requirement to register serves as a reminder to someone organizing a charity
25 of the seriousness of the fiduciary role an individual undertakes when acting as a director or
26 trustee of a charity. If the individual does not want the responsibility of managing charitable
27 | assets under the oversight of the Aattorney General, the individual can give the assets to an
28 existing charity or start a donor advised fund.

29
30 Subsection (b) sets forth which organizations will be required to register under the Act.
31 The registration requirement applies to entities of any legal form that hold or administer property
32 dedicated to or donated for charitable purposes. The scope of the requirement is broad enough to
33 take in not only organizations traditionally thought of as charitable, but also non-charitable
34 organizations that hold or administer assets dedicated to charitable purposes or that have been
35 donated for charitable purposes. The obligation to register is limited to organizations that have
36 significant contacts in the state. The Drafting Committee believes that the threshold strikes an
37 appropriate balance between the risk of overburdening charities that have little contact with a
38 | particular state and the need for the Aattorney General to be alerted to the existence of
39 charitable organizations and assets in the state that might call for oversight. Simply having a
40 bank account or investment account in the state does not cause an entity to fall within the
41 definition, and financial institutions and investment companies are not included within the
42 definition by virtue of having accounts owned by charities, unless the institution serves as trustee
43 for a charity.

44
45 The term “principal place of business” is used to mean principal place of administration,
46 governance, activities, and operation. Although using the term “business” for charitable

1 activities sounds odd, the term is used to bring with it the substantial caselaw connected with the
2 term.

3
4 Although the types of contact listed in subsection (b) are not limited by the terms
5 “substantial” or “significant,” the intention is that a negligible level of activity or other contact
6 not be considered sufficient to cause an Attorney General to assert oversight-protection
7 powers. The state constitution will control the level of activity necessary for Attorney General
8 oversightprotection.

9
10 Subsection (b)(2)(A) excludes governments from the Act, but if a government accepts an
11 asset for charitable purposes, the Act will provide oversight for that asset. For example, a local
12 government might accept the donation of land for a public park or might accept a conservation
13 easement over land in the state.

14
15 Subsection (b)(2)(C) excludes persons not organized primarily for charitable purposes.
16 The Drafting Committee intends to exclude entities like benefit corporations and L3Cs even
17 though those entities may be established in part for charitable purposes. The committee also
18 intends to exclude labor organizations, social organizations, and trade associations.

19
20 Subsection (b)(2)(F) excludes individuals who may hold charitable assets as volunteers
21 but not in a fiduciary capacity. For example, a volunteer might hold assets in connection with a
22 school’s PTO fundraiser. The PTO will register, but a volunteer who holds assets connected
23 with the fundraiser do not need to register.

24
25 Subsection (d) indicates that the threshold amount for filing is \$5,000. The Drafting
26 Committee chose this amount because it is the same as the amount that necessitates filing a Form
27 1023, Recognition of Exempt Status, with the Internal Revenue Service. The information
28 required to register with the Attorney General is significantly less than the information
29 required to complete a Form 1023, so an organization should not face an undue burden if
30 required to register with the Attorney General.

31
32 Legislative Note to Subsection (g) – if a state FOIA statute requires more here, then add.
33 In some states an amendment to FOIA may be necessary. Some states will delete.

6 Internal Revenue Service, then the person shall attach a copy of the form to the annual report.~~(J)~~
7 ~~a description of the person's most significant program activities, not to exceed three activities,~~
8 ~~during the accounting period.~~

9 **Comment**

10
11 Many charities will be able to meet the annual report requirement of Section 6 simply by
12 filing a copy of the federal tax return the charity files. If the charity files a Form 990, Form 990-
13 EZ, or a Form 990-PF, the charity may file a copy of that return and need not file an additional
14 report. If the charity files Form 990-N, the charity will need to file an additional report, because
15 the Form 990-N does not request a significant level of information. This draft states the
16 requirement without reference to specific tax return numbers because the return numbers may
17 change over time. The difficulty with stating the requirement in this way, however, is to convey
18 the idea that a return that provides information similar to that required by this section (Form 990,
19 Form 990-EZ, Form 990-PF) is sufficient but a return that provides only a minimal level of
20 information (Form 990-N) is not. The committee will compare the requirements of Section 6
21 with the requirements of the tax returns and consider whether to require information beyond that
22 listed in the tax returns.

23
24 The Internal Revenue Code requires a private foundation to file a copy of its Form 990-
25 PF, IRC 6033(c)(2), with the state, so we should be able to exempt private foundations who
26 already file that form with the state. The committee needs to consider this exemption, but the
27 committee will likely be able to exempt private foundations from Section 6.

28
29 States that require annual reporting under a statute that regulates charitable solicitation
30 will want to coordinate the report required here with that required by the solicitation statute and
31 may find the reporting requirement in Section 6 duplicative and unnecessary.

32
33 The drafting committee did not reach consensus on the optimal threshold for the small
34 organization exception. Some committee members noted that the reporting requirement can
35 encourage good governance, and some members also noted that the small organizations are often
36 the ones that get into trouble. The Attorney General needs to receive information in a timely
37 fashion to be able to address problems before charitable assets are lost. The registration and
38 reporting requirements are important in promoting appropriate oversight protection of charitable

1 assets.

3 **SECTION ~~67~~. NOTICE TO [ATTORNEY GENERAL] OF REPORTABLE**
4 **EVENT.**

5 (a) A person required to register under Section ~~45~~ shall give ~~written~~ notice in a record to

12 (e) If a revocable trust ~~having its principal place of administration administered~~ in this
13 state becomes irrevocable [because of the settlor's death] and if ~~it~~the provides for a distribution

19 trust assets, unless the distribution is a specific distribution with a value of less than \$100,000 to
20 a named person holding charitable assets.

21 ~~(e) A person who holds a charitable asset in this state shall give notice to the [attorney~~

11 ~~an explanation of the event that causes the notice requirement to apply, and the approximate~~
12 ~~value of the charitable asset involved.~~

13 ~~(h) Failure to provide notice as required under this section [shall result in][will be~~
14 ~~considered a breach of fiduciary duty.]~~

15 Comment

16 The Act requires notice to the Attorney General of a variety of transactions and events
17 that raise particular opportunities for misapplication of charitable assets, so that the Attorney
18 General has an opportunity to monitor the events in time to prevent problems in addition to
19 correcting problems that have already arisen.

20
21 **Subsection (a). Disposition or removal of all or significantly all assets.** If the charity
22 will terminate or dispose of substantially all of its assets, the charity must notify the Attorney
23 General before the charity gives up control of the assets. This notice provision gives the
24 Attorney General time to review the proposed transaction and recommend changes if
25 necessary while the assets can still be reached. If the Attorney General objects to the proposed
26 transaction, the Attorney General must deliver the objection to the charity in writing and then
27 the charity cannot proceed with the transaction until the Attorney General consents
28 (presumably after negotiations between the charity and the Attorney General) or a court
29 approves the transaction. This subsection gives the Attorney General the information needed
30 to work with the charity on an appropriate plan of distribution or other transfer, and then
31 provides for a court determination if the Attorney General and the charity cannot reach

1 agreement.

2
3 **Subsection (c) Probate estate.** If a probate estate contains a gift to a charity, the
4 personal representative must notify the ~~A~~attorney ~~G~~general of the distribution of an estate that
5 may involve the distribution of charitable assets. This provision is necessary, because the
6 public’s interest in a charitable bequest may not be protected if an heir contests the will and the
7 ~~A~~attorney ~~G~~general does not know that a charitable bequest existed.

8
9 **Subsection (d). Revocable trust.** If a decedent’s property will be distributed through a
10 revocable trust rather than through probate, the ~~A~~attorney ~~g~~eneral ~~General~~ should still get notice
11 of any significant charitable gifts. The amount that is “significant” is left in brackets for states to
12 consider. The Drafting Committee thought that gifts to charity worth at least \$25,000
13 collectively represented a “significant” charitable interest.

14
15 **Subsection (e). Bankruptcy.** The [~~A~~attorney ~~G~~general] should be aware of a charity’s
16 decision to file for bankruptcy so that the [~~A~~attorney ~~g~~eneral] can protect the public’s interest in
17 the charitable assets. [Moved to Section 8]

18
19 **Subsection (f)(1). Revocation of tax exemption.** The revocation of a federal or state
20 tax exemption may signal problems with a charity that the ~~A~~attorney ~~G~~general should consider.
21 This subsection requires provides for notification to the ~~A~~attorney ~~G~~general of revocation or

23
24 **Subsection (f)(2). Amendment.** This subsection requires a charity to file with the
25 ~~A~~attorney ~~G~~general any amendment to its governing documents that changes the purpose of the
26 charity or results in a material change to the structure, governance, or activities of the charity.
27 For example, a charity should report a change in voting structure, either the elimination of a class
28 of voting members or the creation of voting members. [Add examples of other “material”
29 changes].

5 **Comment**

6 The list of kinds of proceedings that require notice to the Attorney General is adapted
7 from provisions found in charitable corporation, trust, and probate sections of various state
8 codes, although no one state provides a model for the entire section. The Drafting Committee
9 concluded that the Attorney General ought to be made aware of a wide range of proceedings
10 that might affect charitable assets or the structure or governance of a charity. [Might include
11 examples here, too. For example, changing the membership structure by eliminating one or
12 more classes of voting members, should require notification.]

13
14 Legislative Note: In states where the Attorney General is a necessary party to any or
15 all of the kinds of actions addressed in this section, parts or all of the section will be unnecessary.
16

17 SECTION 9. EQUITABLE RELIEF.

19 notice of a reportable event under Section 7, or provide notice of an action or proceeding under

23 ~~INVOLVING COVERED CHARITY. The [attorney general] may commence an action~~

25 **Comment**

26 This section articulates Attorney General authority to bring an action or intervene in a
27 proceeding brought by someone else. The committee intends to make the Attorney General a
28 proper party to a wide array of proceedings involving charities, charitable fiduciaries, or
29 charitable assets, so that the Attorney General may exercise the discretion to participate or
30 refrain from participating in court proceedings that relate the Attorney General duty and
31 authority under this Act.
