

A Few Facts about
THE MODEL ENTITY TRANSACTIONS ACT (2007) (LAST AMENDED 2013)

- PURPOSE:** The Model Entity Transactions Act (META) allows conversion of one kind of business organization to another, or the merger of two or more business organizations into one organization. Originally promulgated in 2007, META was revised in 2011, and again in 2013. These amendments were primarily technical amendments that harmonize the procedural and filing provisions of META with the other uniform and model entity acts that are included in the Uniform Business Organizations Code.
- ORIGIN:** Completed by the Uniform Law Commission in 2007, amended in 2011 and 2013.
- ENDORSED BY:** Endorsed as Suggested State Legislation by the Council of State Governments (CSG).
- ENACTED BY:**

September 23, 2019

The ULC is a nonprofit formed in 1892 to create nonpartisan state legislation. Over 350 volunteer commissioners—lawyers, judges, law professors, legislative staff, and others—work together to draft laws ranging from the Uniform Commercial Code to acts on property, trusts and estates, family law, criminal law and other areas where uniformity of state law is desirable.
