

## **Minutes of the Uniform Law Commission Executive Committee Ballot**

August 27, 2014

The Executive Committee conducted an e-mail ballot to approve President Harriet Lansing's recommendation that Commissioner Robert A. Stein of Minnesota be appointed as the ULC Delegate to the ABA House of Delegates.

Under Section 6.8 (c) of the ABA Constitution, delegates from Affiliated Organizations (including ULC) serve two-year terms ending at the adjournment of the ABA Annual Meeting in odd-numbered years. Anyone appointed to fill a vacancy is to be appointed to serve the remainder of the unexpired term. Thus Commissioner Stein would serve as ULC delegate beginning immediately and continuing until the adjournment of the ABA Annual Meeting in August 2015.

Commissioner Stein previously served as an ABA Delegate at Large. His term expired following this year's ABA meeting. He has been an excellent representative of the ULC at the ABA House of Delegates. His seven-year tenure in the House, building on his twelve-year tenure as Executive Director and Chief Operating Officer of the ABA, is a valuable resource in advancing the ULC's interests with the ABA, and in obtaining approval of our acts.

The vote was unanimous in favor of President Lansing's recommendation.
