RE: October 2020 ZOOM Conference Calls

DATE: September 18, 2020

I am looking forward to our scheduled ZOOM meetings on October 1 and 2. In preparation for these meetings, I am attaching an Issues Memorandum prepared by Gabe Feldman. If any of you want to submit written comments before our meetings, please submit them to me at: dghiger@msn.com with copies to Gabe at: gfeldman@tulane.edu and Libby Snyder, our ULC Legislative Counsel at: lsnyder@uniformlaws.org. Libby will then distribute the comments to all of you. I want to encourage stakeholders to let all of us know your position on issues important to your organization. The more comments the drafting committee has, the better we can do our job of drafting an act that is acceptable to the stakeholder community. At times, this may seem impossible, but we can get there with your help. I want to hear from the stakeholders first before I let the Commissioners weigh in on an issue. The Commissioners are here to listen, so please express your views.

I wanted to discuss a few rules for the calls. Please keep your microphone on mute except when you want to talk. With the number of participants on the call, please make your comments as succinct as possible. If we are taking too much time, I will start limiting the length of time for your comments. There are a wide range of views on NIL which seems to be changing every week. In commenting, please respect the views of others even if you strongly disagree.
