RE: Uniform Partition of Heirs Property Act

Mr. Sebert:

I am writing to you on behalf of the Concerned Citizens of Tillery (CCT) in support of the Uniform Partition of Heirs Property Act, which will help to protect the interests and needs of the most defenseless landowners. My organization has been working on the issue of heir property since 1981. A Uniform Act would certainly be of great benefit to heirs and assist them in being able to bring a positive settlement to such property.

Concerned Citizens of Tillery supports a Uniform Law for all states and support these efforts of the Uniform Law Commission to move forward.

Sincerely,

Gary R. Grant
