RE: Principles - Draft #3

The first attachment is a redlined (strike and score) version which shows all the changes made in the prior version we reviewed at our Portland, Oregon meeting in February. The second attachment is a complete clean copy of the new draft.

As you know, we are operating on a very tight timeline. President Swibel wants us to present not only the Principles but also the first draft of the US version of the Act at the NCCUSL Annual Meeting the end of July. The deadline for submission of the draft to NCCUSL is June 15. I cannot start to draft the Act until the Principles are in final form. Therefore, I request that you send me your comments and proposed changes in Draft #3 of the Principles by April 11. Marilyn Phelan and I will review the comments and changes and determine whether we need to have a full committee conference call to resolve significant issues.

Thank you.
