

MEMORANDUM

TO: UCIOA drafting committee members and ABA advisor
FROM: Bill Breetz
DATE: October 30, 2020

**RE: Materials, proposed procedures for our Drafting Meeting of
Friday and Saturday,
November 13 and 14.**

Greetings to you all on this Chilly Halloween here in New England. What with the pandemic, troubled economy and the upcoming election, these are indeed SPOOKEY times.

1. I understand that you will, as usual, receive an email a few days before our meeting with a link to join our meeting at 10 am CENTRAL time. **If any of you DO NO PLAN TO PARTICIPATE on either Friday or Saturday, please let me know as soon as possible.**

2. Accompanying this memorandum are the following:

- a. Most importantly, the revised draft of the Act. It is primarily the draft that we read line by line at the First Reading in August, with appropriate revisions that Jim Smith has made which are shown in red. Those additions are based on comments received during the meeting, and thoughts expressed from Commissioners since that time.
- b. For your convenience, I also attach the two memos that Jim has prepared concerning applicability of the Act and that we have not previously discussed. I believe that this subject will be the single most significant topic of our November meeting, and believe our

deliberations will benefit if the Committee has had the chance to review Jim's excellent work.

That's all for now. Best wishes and I look forward to seeing you all in two weeks.
