ABOUT NCCUSL

The **National Conference of Commissioners on Uniform State Laws** (NCCUSL), now in its 115th year, provides states with non-partisan, well-conceived and well-drafted legislation that brings clarity and stability to critical areas of state statutory law.

Conference members must be lawyers, qualified to practice law. They are practicing lawyers, judges, legislators and legislative staff and law professors, who have been appointed by state governments as well as the District of Columbia, Puerto Rico and the U.S. Virgin Islands to research, draft and promote enactment of uniform state laws in areas of state law where uniformity is desirable and practical.

- NCCUSL strengthens the federal system by providing rules and procedures that are consistent from state to state but that also reflect the diverse experience of the states.
- NCCUSL statutes are representative of state experience, because the organization is made up of representatives from each state, appointed by state government.
- NCCUSL keeps state law up-to-date by addressing important and timely legal issues.
- NCCUSL's efforts reduce the need for individuals and businesses to deal with different laws as they move and do business in different states.
- NCCUSL's work facilitates economic development and provides a legal platform for foreign entities to deal with U.S. citizens and businesses.
- NCCUSL Commissioners donate thousands of hours of their time and legal and drafting expertise every year as a public service, and receive no salary or compensation for their work.
- NCCUSL's deliberative and uniquely open drafting process draws on the expertise of commissioners, but also utilizes input from legal experts, and advisors and observers representing the views of other legal organizations or interests that will be subject to the proposed laws.
- NCCUSL is a state-supported organization that represents true value for the states, providing services that most states could not otherwise afford or duplicate.

UNIFORM PRUDENT MANAGEMENT OF INSTITUTIONAL FUNDS ACT

SECTION 1. SHORT TITLE. This [act] may be cited as the Uniform Prudent Management of Institutional Funds Act.

SECTION 2. DEFINITIONS. In this [act]:

(1) “Charitable purpose” means the relief of poverty, the advancement of education or religion, the promotion of health, the promotion of governmental purposes, and any other purpose the achievement of which is beneficial to the community.

(2) “Endowment fund” means an institutional fund, or any part thereof, not wholly expendable by the institution on a current basis under the terms of a gift instrument. The term does not include assets of an institution designated by the institution as an endowment fund for its own use.

(3) “Gift instrument” means a record or records, including an institutional solicitation, under which property is granted to, transferred to, or held by an institution as an institutional fund.

(4) “Institution” means:

(A) a person, other than an individual, organized and operated exclusively for charitable purposes;

(B) a government or a governmental subdivision, agency, or instrumentality to the extent that it holds funds exclusively for a charitable purpose; and

(C) a trust that had both charitable and noncharitable interests, after all noncharitable interests have terminated.

(5) “Institutional fund” means a fund held by an institution exclusively for charitable purposes. The term does not include:

(A) program-related assets;

(B) a fund held for an institution by a trustee that is not an institution; or

(C) a fund in which a beneficiary that is not an institution has an interest, other than an interest that could arise upon violation or failure of the purposes of the fund.

(6) “Person” means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation, government or

governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(7) “Program-related asset” means an asset held by an institution primarily to accomplish a charitable purpose of the institution and not primarily for appreciation or the production of income.

(8) “Record” means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

SECTION 3. STANDARD OF CONDUCT IN MANAGING AND INVESTING INSTITUTIONAL FUND.

(a) Subject to the intent of a donor expressed in a gift instrument, an institution, in managing and investing an institutional fund, shall consider the charitable purposes of the institution and the purposes of the institutional fund.

(b) In addition to complying with the duty of loyalty imposed by law other than this [act], each person responsible for managing and investing an institutional fund shall manage and invest the fund in good faith and with the care an ordinarily prudent person in a like position would exercise under similar circumstances.

(c) In managing and investing an institutional fund, an institution:

(1) may incur only costs that are appropriate and reasonable in relation to the assets, the purposes of the institution, and the skills available to the institution; and

(2) shall make a reasonable effort to verify facts relevant to the management and investment of the fund.

(d) An institution may pool two or more institutional funds for purposes of management and investment.

(e) Except as otherwise provided by a gift instrument, the following rules apply:

(1) In managing and investing an institutional fund, the following factors, if relevant, must be considered:

(A) general economic conditions;

(B) the possible effect of inflation or deflation;

(C) the expected tax consequences, if any, of investment decisions or strategies;

(D) the role that each investment or course of action plays within the

overall investment portfolio of the fund;

(E) the expected total return from income and the appreciation of investments;

(F) other resources of the institution;

(G) the needs of the institution and the fund to make distributions and to preserve capital; and

(H) an asset's special relationship or special value, if any, to the charitable purposes of the institution.

(2) Management and investment decisions about an individual asset must be made not in isolation but rather in the context of the institutional fund's portfolio of investments as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the fund and to the institution.

(3) Except as otherwise provided by law other than this [act], an institution may invest in any kind of property or type of investment consistent with the standards of this section.

(4) An institution shall diversify the investments of an institutional fund unless the institution reasonably determines that, because of special circumstances, the purposes of the fund are better served without diversification.

(5) Within a reasonable time after receiving property, an institution shall make and implement decisions concerning the retention or disposition of the property or to rebalance a portfolio, in order to bring the institutional fund into compliance with the purposes, terms, distribution requirements, and other circumstances of the institution and the requirements of this [act].

(6) A person who has special skills or expertise, or is selected in reliance upon the person's representation that the person has special skills or expertise, has a duty to use those special skills or that expertise in managing and investing institutional funds.

SECTION 4. APPROPRIATION FOR EXPENDITURE OR ACCUMULATION OF ENDOWMENT FUND; RULES OF CONSTRUCTION.

(a) Subject to the intent of a donor expressed in a gift instrument [and to subsection (d)], an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines to be prudent for the uses, benefits, purposes, and duration for which

the endowment fund is established. Unless stated otherwise in a gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution. In making a determination to appropriate or accumulate, the institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and shall consider, if relevant, the following factors:

- (1) the duration and preservation of the endowment fund;
- (2) the purposes of the institution and the endowment fund;
- (3) general economic conditions;
- (4) the possible effect of inflation or deflation;
- (5) the expected total return from income and the appreciation of investments;
- (6) other resources of the institution; and
- (7) the investment policy of the institution.

(b) To limit the authority to appropriate for expenditure or accumulate under subsection (a), a gift instrument must specifically state the limitation.

(c) Terms in a gift instrument designating a gift as an endowment, or a direction or authorization in the gift instrument to use only “income”, “interest”, “dividends”, or “rents, issues, or profits”, or “to preserve the principal intact”, or similar words:

(1) create an endowment fund of permanent duration unless other language in the gift instrument limits the duration or purpose of the fund; and

(2) do not otherwise limit the authority to appropriate for expenditure or accumulate under subsection (a).

[(d) The appropriation for expenditure in any year of an amount greater than seven percent of the fair market value an endowment fund, calculated on the basis of market values determined at least quarterly and averaged over a period of not less than three years immediately preceding the year in which the appropriation for expenditure was made, creates a rebuttable presumption of imprudence. For an endowment fund in existence for fewer than three years, the fair market value of the endowment fund shall be calculated for the period of time the endowment fund has been in existence. This subsection does not:

(1) apply to an appropriation for expenditure permitted under law other than this [act] or the gift instrument; or

(2) create a presumption of prudence for an appropriation for expenditure of an amount less than or equal to seven percent of the fair market value of the endowment fund.]

[SECTION 5. DELEGATION OF MANAGEMENT AND INVESTMENT FUNCTIONS.

(a) Subject to any specific limitation set forth in a gift instrument or in law other than this [act], an institution may delegate to an external agent the management and investment of an institutional fund to the extent that an institution could prudently delegate under the circumstances. An institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, in:

(1) selecting an agent;

(2) establishing the scope and terms of the delegation, consistent with the purposes of the institution and the institutional fund; and

(3) periodically reviewing the agent's actions in order to monitor the agent's performance and compliance with the scope and terms of the delegation.

(b) In performing a delegated function, an agent owes a duty to the institution to exercise reasonable care to comply with the scope and terms of the delegation.

(c) An institution that complies with subsection (a) is not liable for the decisions or actions of an agent to which the function was delegated.

(d) By accepting delegation of a management or investment function from an institution that is subject to the laws of this state, an agent submits to the jurisdiction of the courts of this state in all proceedings arising from or related to the delegation or the performance of the delegated function.

(e) An institution may delegate management and investment functions to its committees, officers, or employees as authorized by law other than this [act].]

SECTION 6. RELEASE OR MODIFICATION OF RESTRICTIONS ON MANAGEMENT, INVESTMENT, OR PURPOSE.

(a) With the donor's consent in a record, an institution may release or modify, in whole or in part, a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund. A release or modification may not allow a fund to be used for a purpose other than a charitable purpose of the institution.

(b) If a restriction contained in a gift instrument on the management or investment of an institutional fund becomes impracticable or wasteful or impairs the management or investment of the fund, or if because of circumstances not anticipated by the donor a modification of a restriction will further the purposes of the fund, the court, upon application of the institution, may modify the restriction. The institution shall notify the [Attorney General], who must be given an opportunity to be heard. To the extent practicable, any modification must be made in accordance with the donor's probable intention.

(c) If a particular charitable purpose or a restriction contained in a gift instrument on the use of an institutional fund becomes unlawful, impracticable, impossible to achieve, or wasteful, the court, upon application of an institution, may modify the purpose of the fund or the restriction on the use of the fund in a manner consistent with the charitable purposes expressed in the gift instrument. The institution shall notify the [Attorney General], who must be given an opportunity to be heard.

(d) If an institution determines that a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund is unlawful, impracticable, impossible to achieve, or wasteful, the institution, [60 days] after notification to the [Attorney General], may release or modify the restriction, in whole or part, if:

- (1) the institutional fund subject to the restriction has a total value of less than [\$25,000];
- (2) more than [20] years have elapsed since the fund was established; and
- (3) the institution uses the property in a manner the institution reasonably determines to be consistent with the charitable purposes expressed in the gift instrument.

SECTION 7. REVIEWING COMPLIANCE. Compliance with this [act] is determined in light of the facts and circumstances existing at the time a decision is made or action is taken, and not by hindsight.

SECTION 8. APPLICATION TO EXISTING INSTITUTIONAL FUNDS. This [act] applies to institutional funds existing on or established after the effective date of this [act]. As applied to institutional funds existing on its effective date, this [act] governs only decisions made or actions taken after that date.

SECTION 9. RELATION TO ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. This [act] modifies, limits, and supersedes the Electronic Signatures in Global and National Commerce Act (15 U.S.C. Section 7001 et seq.) but does not modify, limit, or supersede Section 101 of that act (15 U.S.C. Section 7001(a)) or authorize electronic delivery of any of the notices described in Section 103 of that act (15 U.S.C. Section 7003(b)).

SECTION 10. UNIFORMITY OF APPLICATION AND CONSTRUCTION. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

SECTION 11. EFFECTIVE DATE. This [act] takes effect

SECTION 12. REPEAL. The following acts and parts of acts are repealed:

(a) [The Uniform Management of Institutional Funds Act]
