Re: *Revised Uniform Unclaimed Property Act*

Gentlemen:

We are pleased to inform you that the Board of Directors of the American Council of Life Insurers on October 16 voted to support the legislative introduction and enactment of the *Revised Uniform Unclaimed Property Model Act*, as well as amendments to (1) prohibit contingent fee audits; and (2) exclude "business-to-business" transactions, such amendments to be sought in coordination with the members of the Unclaimed Property Holders Coalition.

This decision enables the ACLI to include these aspirations among its 2017 legislative goals and objectives, for which planning will begin soon. Our acquaintance before the Uniform Law Commission ends with a beginning of more chances to meet again, next time friends well met.

Sincerely,

MICHAEL LOVENDUSKY
Vice President & Associate General Counsel
