4 **Section 1. Title**

5 This [act] may be cited as the Uniform Telehealth Act.

6 **Section 2. Definitions**

7 In this [act]:

8 (1) “Board” means an entity to which ~~this~~^a state has granted the authority to
9 license, certify, or discipline an individual who provides health care.

10 (2) “Electronic” means relating to technology having electrical, digital, magnetic,
11 wireless, optical, electromagnetic, or similar capabilities.

12 (3) “Health care” means care, treatment, a service, or a procedure to maintain,
13 monitor, diagnose, or otherwise affect an individual’s physical or mental illness, injury, or
14 condition.

15 (4) “Out-of-state practitioner” means an individual licensed, certified, or
16 otherwise authorized by law of another state to provide health care in that state.

17 (5) “Practitioner” means an individual:

18 (A) licensed or certified under[: cite to applicable state statutes

19 (i)...

20 (ii) ...]; or

21 (B) otherwise authorized by law of this state, including through the
22 registration process established under Section 6, to provide health care in this state.

23 (6) “Professional practice standard” includes a practice requirement imposed by a

1 board, a standard of care, and a standard of professional ethics.

2 (7) “Registered practitioner” means an out-of-state practitioner registered under
3 Section 6.

4 (8) “Registering board” means a board [in this state](#) that registers out-of-state
5 practitioners under Section 6.

6 (9) “Scope of practice” means the extent of a practitioner’s authority to provide
7 health care.

8 (10) “State” means a state of the United States, the District of Columbia, Puerto
9 Rico, the United States Virgin Islands, or any other territory or possession subject to the
10 jurisdiction of the United States. The term includes a federally recognized Indian tribe.

11 (11) “Telecommunication technology” means a technology that supports
12 communication through electronic means. The term is not limited to a regulated technology or a
13 technology associated with a regulated industry.

14 (12) “Telehealth” means use of synchronous or asynchronous telecommunication
15 technology by a practitioner to provide health care to a patient at a different physical location
16 than the practitioner.

17 (13) “Telehealth services” means health care provided through telehealth.

18 *Legislative Note: In paragraph (5), a state should cite the statutes that provide for licensure or*
19 *certification of the types of providers whose provision of telehealth services will be subject to*
20 *this act.*

21
22 **[Section 3. Scope](#)**^[MK1]

23 [\(a\) This \[act\] applies to the provision of telehealth services to a patient located in this](#)
24 [state.](#)

25 [\(b\) This \[act\] does not apply to the provision of telehealth services to a patient located](#)

1 [outside this state.](#)

2 **Section 43. Telehealth Authorization**

3 (a) A practitioner may provide telehealth services to a patient located in this state if the
4 services are consistent with the practitioner’s scope of practice in this state, the applicable
5 professional practice standards in this state, and the requirements and limitations of federal law
6 and law of this state.

7 (b) This [act] does not authorize provision of health care otherwise regulated by federal
8 law or law of this state, unless the provision of that health care complies with the requirements,
9 limitations, and prohibitions of that federal [law](#) or ~~state-law~~ [of this state](#).

10 (c) A practitioner-patient relationship may be established through telehealth.

11 **Section 54. Professional Practice Standard**

12 (a) A practitioner shall provide telehealth services to a patient located in this state in a
13 ~~manner consistent~~ [compliance](#) with the professional practice standards applicable to a practitioner
14 who provides comparable in-person health care in this state. Professional practice standards and
15 law applicable to the provision of health care in this state, including standards and law relating to
16 prescribing medication or treatment, identity verification, documentation, informed consent,
17 confidentiality, privacy, and security, apply to the provision of telehealth services in this state.

18 (b) A board or ~~state~~-agency [in this state](#) may not adopt or enforce a rule that establishes a
19 different professional practice standard for telehealth services or limits the ~~form of~~
20 telecommunication technology that may be used for telehealth services.

21 **Section 65. Out-of-State Practitioner**

22 (a) An out-of-state practitioner may provide telehealth services to a patient located in this
23 state if the out-of-state practitioner:

1 (1) holds a license or certification required to provide the health care in this state
2 or is otherwise authorized to provide the health care in this state, including through a multistate
3 compact of which this state is a member;

4 (2) registers under Section 76 with the registering board responsible for licensing
5 or certifying practitioners who provide the type of health care the out-of-state practitioner
6 provides; or

7 (3) provides the telehealth services:

8 (A) in consultation with a practitioner who has ~~established~~ a practitioner-
9 patient relationship with the patient;

10 (B) in the form of a specialty assessment, diagnosis, or recommendation
11 for treatment; or

12 (C) pursuant to a previously established practitioner-patient relationship [if
13 the telehealth services are provided not later than [one year] after the practitioner with whom the
14 patient has a relationship last provided health care to the patient].

15 (b) A requirement for licensure or certification of an out-of-state practitioner who
16 supervises an out-of-state practitioner providing telehealth services may be satisfied through
17 registration under Section 76.

18 [(c) A requirement for licensure or certification of an out-of-state practitioner who
19 controls or is otherwise associated with an entity that provides ~~provider of~~ health care to a patient
20 located in this state may be satisfied through registration under Section 76 if the entity does not
21 provide in-person health care to a patient located in this state.]

22 **Legislative Note:** *A state that wishes to limit the length of time for which an out-of-state*
23 *practitioner may provide care, including follow-up care, under the authorization of subsection*
24 *(a)(3)(C) may adopt the bracketed provision. The state should specify the length of time for*
25 *which the authorization is granted.*

1
2 *A state that requires an entity that provides health care to be controlled by or otherwise*
3 *associated with a licensed or certified practitioner may adopt subsection (c).*
4

5 **Section 67. Board Registration of Out-of-State Practitioner**

6 (a) A board established under [cite to relevant state statutes] shall register, for the purpose
7 of providing telehealth services in this state, an out-of-state practitioner not licensed, certified, or
8 otherwise authorized to provide health care in this state, if the practitioner:

9 (1) submits a completed application in the form prescribed by the registering
10 board;

11 (2) holds an active, unrestricted license or certification in another state that is
12 substantially ~~similar~~ equivalent to a license or certification issued by the registering board to
13 provide health care;

14 (3) is not subject to a pending disciplinary investigation or action by a board;

15 (4) has not been ~~the subject of disciplinary action~~ disciplined by a board during the
16 [five]-year period immediately before submitting the application, other than ~~an action~~ discipline
17 relating to a fee payment or continuing education requirement addressed to the satisfaction of the
18 board that took the disciplinary action;

19 (5) never has been ~~subject to a disciplinary investigation or action~~ disciplined on
20 grounds that the registering board determines would be a basis for denying a license or
21 certification in this state;

22 (6) consents to personal jurisdiction in this state for actions arising out of the
23 provision of a telehealth service in this state;

24 (7) appoints a [registered][statutory] agent for service of process in this state [in
25 accordance with other law of this state] and identifies the agent in the form prescribed by the

1 registering board;

2 (8) has professional liability insurance that includes coverage for telehealth
3 services provided to patients located in this state, in an amount equal to or greater than the
4 requirement for a practitioner providing the same services in this state; and

5 (9) pays the registration fee under subsection (c).

6 (b) A registering board shall create the application for registration and form for
7 identifying agents that section 67(a) requires.

8 (c) A registering board may establish a registration fee that reflects the expected cost of
9 registration under this section as well as undertaking investigation, disciplinary action, and other
10 activity with respect to registered practitioners.

11 (d) A registering board shall make available to the public information about registered
12 practitioners in the same manner it makes available to the public information about licensed or
13 certified practitioners authorized to provide comparable health care in this state.

14 **Legislative Note:** In subsection (a), a state should specify the boards that will be required to
15 register out-of-state practitioners under this section. In subsection (a)(7), a state should adopt
16 the bracketed provision if it has law governing the appointment of an agent for service of
17 process.
18

19 **Section 78. Disciplinary Action by Registering Board**

20 (a) A registering board may take disciplinary action against a registered practitioner who:

21 (1) violates this [act];

22 (2) holds a license or certification that has been restricted in a state; or [MK2]

23 (3) has been ~~the subject of disciplinary action~~ disciplined by a board ~~in a state,~~

24 other than ~~an action~~ discipline relating to a fee payment or continuing education requirement

25 addressed to the satisfaction of the board that took the disciplinary action. ~~;~~ ~~or~~

~~(4) commits an act that is a ground for disciplinary action under the rules applicable to a practitioner licensed or certified to provide comparable health care in this state.~~^[MK3]

(b) A registering board may take disciplinary action against a registered practitioner it is authorized to take against a licensed or certified practitioner who provides comparable health care in this state.

(c) Disciplinary action under this section may include suspension or revocation of the registered practitioner's registration in accordance with other law of this state applicable to disciplinary action against a practitioner who provides comparable health care in this state.

Legislative Note: In subsection (c), a state should cite the statutes applicable to suspension or revocation of a license or certification of a practitioner.

Section 89. Duties of Registered Practitioner

A registered practitioner:

(1) shall notify the registering board not later than [ten] days after a board in another state notifies the practitioner that it has initiated an investigation, placed a restriction on the registered practitioner's license or certification, or taken a disciplinary action against the registered practitioner;

(2) shall maintain professional liability insurance that includes coverage for telehealth services provided to patients located in this state in an amount equal to or greater than the requirement for a licensed or certified practitioner providing the same services in this state; and

(3) may not open an office physically located in this state or provide in-person health care to a patient located in this state.

Legislative Note: In paragraph (1), a state should specify the time required for notification of the

1 *registering board after having been notified that a board in another state has initiated an*
2 *investigation, placed a restriction on the practitioner’s license or certification, or taken a*
3 *disciplinary action with respect to the practitioner.*

4
5 **Section 109. Location of Care; Venue**

6 (a) The provision of a telehealth service under this [act] occurs at the patient’s location at
7 the time the service is provided.

8 (b) A patient may bring a civil [MK4] action arising out of a ~~registered~~ [MK5] practitioner’s
9 provision of a telehealth service to a the patient located in this state [MK6] ~~may be brought~~ [MK7] in
10 the patient’s [county] of residence in this state or in another [county] authorized by law.

11 **[Section 110. Rulemaking Authority**

12 [A board] may adopt rules under [cite to state administrative procedure act] to administer,
13 enforce, implement, or interpret this [act].]

14 **Legislative Note:** *A state should include this section only if the state’s administrative procedure*
15 *act does not provide adequate rulemaking authority to the board.*

16
17 **Section 121. Uniformity of Application and Construction**

18 In applying and construing this uniform act, a court shall consider the promotion of
19 uniformity of the law among jurisdictions that enact it.

20 **[Section 132. Severability**

21 If a provision of this [act] or its application to a person or circumstance is held invalid,
22 the invalidity does not affect another provision or application that can be given effect without the
23 invalid provision.]

24 **Legislative Note:** *Include this section only if the state lacks a general severability statute or a*
25 *decision by the highest court of the state stating a general rule of severability.*

26
27 **[Section 143. Repeals; Conforming Amendments**

28 (a) . . .

1 (b) . . .]

2 **Legislative Note:** *A state should examine its statutes to determine whether conforming revisions*
3 *are required by provisions of this act relating to telehealth services.*
