

MEMORANDUM

TO: Harmonization of Business Acts Drafting Committee
FROM: Harry J. Haynsworth
DATE: January 12, 2011
RE: “Spoke” Acts to be Reviewed at the January 28-30, 2011 Meeting

Drafts of HRULLCA, HRUPA, HRUUNAA, and HULCAA are attached. Please note that like the harmonized HUB (HBOA), META, and MORAA, which you have previously received, are color coded (see the Introductory Reporters’ Notes). Since all 4 of the spokes have incorporated the changes in the HUB, META, and MORAA, you should focus your attention on the blue and red changes.

If you do not have access to a color printer, please contact Lucy Grelle at NCCUSL and ask her to send you a color-coded hard copy of these acts.
