Re: Uniform Partition of Heirs Property Act

Dear Bob:

I am pleased to inform you that the Council of the ABA Section of Real Property, Trust and Estate Law voted unanimously at its meeting on May 8, 2010, to endorse the Uniform Partition of Heirs Property Act for enactment by the States of the United States. We encourage NCCUSL in its efforts to secure such enactments. Our delegates to the ABA House of Delegates and others in our section who have been involved in consideration of this Act would be pleased to assist in the enactment process.

Please let me know if you have any questions or comments on this matter.

Sincerely yours,

Alan F. Rothschild, Jr.  
Section Chair
