Dear Committee Members, Advisors and Observers,

You are to receive two copies of the revised draft Act, one clean and one redlined to allow you to see all changes that have been made. You also will receive a chart with issues to be discussed and a recent letter from the NAA.

When we meet on November 7-8, we will start with the issues set forth on the chart, which reflects many of the comments and suggestions made from the Body of the Whole last summer as well as from interested parties, including the NAA and the JEB. When we have completed our discussion of issues set forth on the chart, we will commence reading of the Act from its beginning. We will complete our review of the entire Act at the next meeting.

Please read the revised Act and the chart in advance so you will be prepared to participate. This is a long Act and we need to cover as much ground as possible.

I look forward to seeing each of you on November 7. Safe journey!

Joan Zeldon
