

## MEMORANDUM

**TO:** Members of the Project to Harmonize the Laws of Unincorporated Nonprofit Associations in North America

**FROM:** Harry J. Haynsworth

**DATE:** February 25, 2008

**RE:** **Revised Uniform Unincorporated Nonprofit Association Act**

---

The March 14-16 meeting draft of the Act and a copy of the Principles are attached. Note that the title to the Act has been changed from "Amendments to...." To "Revised" which is why it is no longer in a strike and score (redlined) format. It is much easier to read and because of the large number of changes and additions, more accurately reflects what the Drafting Committee intends.

I have tried to include all the changes to the Act and the comments the American members of the Drafting Committee approved at the November meeting in Washington, D.C.
