Heidi Tseu, Vice Chair
Professor Robert Gatter, Reporter

Re: Zoom Committee Meeting, September 12

We have attached a memorandum related to our upcoming Zoom meeting. We apologize for the late distribution.

The upcoming Zoom meeting will allow the members, advisors, and observers to discuss the input we received at the June 2022 informational meeting and the July 2022 annual meeting. We will use the time on September 12 to consider big issues that may result in a revised draft act. That should allow Professor Gatter time before our in-person November drafting committee meeting to provide a revised act for discussion at that meeting.
