Page 2, strike lines 5 through 9 and substitute:

- "(1) (a) "Cohabitant" means one of two individuals:
- (i) who live together as a couple in an intimate, committed relationship that functions as an economic, social, and domestic unit; and
  - (ii) who could be married to the other individual, but is not.
- (b) The term does not include an individual who is married to a third party."
